► **There are several requirements for entrance to the Senior Honors Thesis Program.**

1. A grade point average in psychology of 3.60 or above.
2. Completion of both PSY 215 and PSY 216 prior to the start of the fall semester in which participation in the Senior Honors Thesis Program would begin.
3. A grade of "B" or better in both PSY 215 and PSY 216.
4. A faculty sponsor who agrees to support and supervise the project that will become the Thesis.
 - Strong recommendation: Completion of any one advanced lec/lab course **before** taking PSY 496.

Overall GPA		Psychology GPA	
Grade in PSY 215		Taken when?	
Grade in PSY 216		Taken when?	

► **Previous PSY 395 Experiences:**

Faculty Sponsor	Semester(s)	Responsibilities

► **General Topic of the Honors Thesis:**

"I support this student's application for entry into the Senior Honors Thesis Program and agree to supervise the student's honors thesis."

Faculty Sponsor's Signature

Date

Please submit this completed form to Dr. Richard Smith in Kastle Hall 207 I-1.
