

## VITA

August, 2006

**Thomas A. Widiger, Ph.D.**  
**Professor**

**Department of Psychology**  
**University of Kentucky**

### **I. Address**

115 Kastle Hall  
University of Kentucky  
Lexington, KY 40506-0044

Telephone: (606) 257-6849  
FAX: (606) 323-1979  
e-mail: widiger@pop.uky.edu

### **II. Education**

Delta College                      9/70-5/72  
University Center, MI            A.A. 1972, Liberal Arts

University of Michigan            9/72-8/74  
Ann Arbor, MI                      B.G.S. 1974, General Studies  
Magna Cum Laude

Miami University                  9/75-8/81  
Oxford, OH                         Ph.D. 1981, Clinical Psychology

### **III. Professional Societies**

American Psychiatric Association, Honorary Fellow  
American Psychological Association, Member  
    Division 12: Clinical Psychology, Member  
American Psychological Society, Charter Fellow  
Association for Research in Personality, Member  
Association for Research in Personality Disorders, Member  
Society for Personality Assessment, Member  
Society for Research in Psychopathology, Member

#### **IV. Awards and Honors**

Walter G. Klopfer Award for Distinguished Contribution to the Literature (2000) by the Society for Personality Assessment

University of Kentucky Research Professorship (2001-2002)

Kirwan Award by the University of Kentucky (2002)

T. Marshall Hahn Professor of Psychology (Endowed chair, 2006-present)

#### **V. Editorial Boards**

##### **Associate Editor:**

*Annual Review of Clinical Psychology*

*Journal of Abnormal Psychology*

*Journal of Personality Disorders*

*Journal of Personality and Social Psychology*

##### **Consulting Editor:**

*Assessment*

*Clinical Psychology: Science and Practice*

*Journal of Personality*

*Journal of Personality Assessment*

*Personality and Social Psychology Bulletin*

*Psychological Bulletin*

##### **Ad hoc reviews:**

*American Journal of Psychiatry, Archives of General Psychiatry, American Psychologist, Psychological Assessment, and others*

#### **VI. Professional Committees**

World Health Organization, Committee for the Revision of ICD-10 (2005)

National Institute of Mental Health & American Psychiatric Association, DSM-V Research Planning Work Group, Member (1999-2006)

Society for Research in Psychopathology, Board of Directors (2001-2004)

Academy of Psychological Clinical Science, Executive Board (2002-2005)

UK Center for Research on Violence Against Women, Faculty Associate

## **VII. Research**

### **A. Past and Current Publications**

#### **1978-1980**

Coyne, J., & Widiger, T. (1978). Toward a participatory model of psychotherapy. Professional Psychology, 9, 700-710.

Widiger, T., Knudson, R., & Rorer, L. (1980). Convergent and discriminant validity of measures of cognitive styles and abilities. Journal of Personality and Social Psychology, 39, 116-129.

Widiger, T., & Maitland-Schilling, K. (1980). Toward a construct validation of the Rorschach. Journal of Personality Assessment, 44, 450-459.

#### **1982**

Widiger, T. (1982). Prototypic typology and borderline diagnoses. Clinical Psychology Review, 2, 115-135.

Widiger, T. (1982). Psychological tests and the borderline diagnosis. Journal of Personality Assessment, 46, 227-238.

#### **1983**

Clarkin, J., Widiger, T., Frances, A., Hurt, S., & Gilmore, M. (1983). Prototypic typology and the borderline personality disorder. Journal of Abnormal Psychology, 92, 263-275.

Rorer, L., & Widiger, T. (1983). Personality structure and assessment. Annual Review of Psychology, 34, 431-463.

Widiger, T. (1983). Utilities and fixed diagnostic rules. Comments on Finn. Journal of Abnormal Psychology, 92, 495-498.

Widiger, T., & Kelso, K. (1983). Psychodiagnosis of Axis II. Clinical Psychology Review, 3, 491-510.

Widiger, T., & Rinaldi, M. (1983). An acceptance of suicide. Psychotherapy: Theory, Research and Practice, 20, 263-273.

#### **1984**

Widiger, T., Hurt, S., Frances, A., Clarkin, J., & Gilmore, M. (1984). Diagnostic efficiency

and DSM-III. Archives of General Psychiatry, 41, 1005-1012.

Widiger, T., & Nietzel, M. (1984). Comment: Kaplan's view of DSM-III: The data revisited. American Psychologist, 39, 1319-1320.

Widiger, T., & Rorer, L. (1984). The responsible psychotherapist. American Psychologist, 39, 503-515.

## **1985**

Widiger, T. (1985). Review of Millon Adolescent Personality Inventory. In J. Mitchell (Ed.), The Ninth Mental Measurements Yearbook (Vol. 1, pp. 979-981). Lincoln: University of Nebraska Press.

Widiger, T. (1985). Review of Millon Clinical Multiaxial Inventory. In J. Mitchell, (Ed.), The Ninth Mental Measurements Yearbook (Vol. 1, pp. 986-988). Lincoln: University of Nebraska Press.

Widiger, T., & Frances, A. (1985). Axis II personality disorders: Diagnostic and treatment issues. Hospital and Community Psychiatry, 36, 619-627.

Widiger, T., & Frances, A. (1985). The DSM-III personality disorders. Perspectives from psychology. Archives of General Psychiatry, 42, 615-623.

Widiger, T., & Trull, T. (1985). The empty debate over the existence of mental illness: Comments on Gorenstein. American Psychologist, 40, 468-470.

Widiger, T., Williams, J., Spitzer, R., & Frances, A. (1985). The MCMI as a measure of DSM-III. Journal of Personality Assessment, 49, 366-378.

## **1986**

Frances, A., & Widiger, T. (1986). The classification of personality disorders: An overview of problems and solutions. In A. Frances & R. Hales (Eds.), Psychiatry update: Volume V. The American Psychiatric Association annual review (pp. 240-257). Washington, DC: American Psychiatric Press.

### **C. Recent Presentations:**

#### **1999**

Widiger, T.A. (1999, February). Personality and mental health. Invited address to the National Institute of Aging Conference on A Life Span Perspective on Personality, Bethesda,

Maryland.

Widiger, T.A. (1999, April). Assessment of personality disorders: Issues and instruments. Workshop presented for the Psychological Services Center, University of Kentucky, Lexington, Kentucky.

Widiger, T.A. (1999, August). Perhaps the time is right for a course on personality disorders. In T. Millon (Chair), Every psychology program should institute a course on personality disorders. Symposium conducted at the 107<sup>th</sup> Annual Meeting of the American Psychological Association, Boston, MA.

## 2000

Widiger, T.A. (2000, March). Personality disorders as maladaptive variants of common personality traits. Colloquium presented at the University of North Carolina, Greensboro.

Widiger, T.A. (2000, April). Gender biases in the diagnosis of personality disorders. Colloquium presented at the University of Louisville, Department of Psychology and Brain Sciences, Louisville, Kentucky.

Widiger, T.A. (2000, April). Personality disorders: Categories and dimensions. Colloquium presented at the Brown University Medical Center, VAMC, Providence, Rhode Island.

Widiger, T.A. (2000, June). Comorbidity: Facts and artifacts. In K. Sher (Chair), Alcohol use and mental disorders. A behavioral science perspective. NIAAA symposium conducted at the 12<sup>th</sup> Annual Convention of the American Psychological Society.

Widiger, T.A., & Anderson, K. (2000, October). Personality and depression in women: Implications for treatment. Paper presented for Summit on Women and Depression, Wye River Conference Center, Wye Woods, Maryland.

## 2001

Widiger, T.A. (2001, May). Clinical application of the five factor model of personality disorder. In R. Spitzer (Chair), Dimensional models of personality disorder. Symposium conducted at the 154<sup>th</sup> Annual Meeting of the American Psychiatric Association, New Orleans, LA.

Widiger, T.A., & Anderson, K.G. (2001, June). Gender bias in gender related disorders. In R. Blashfield (Chair), Gender bias in the diagnosis of personality disorders. Symposium conducted at the 13<sup>th</sup> Annual Meeting of the American Psychological Society, Toronto, Canada.

Widiger, T.A. (2001, September). Five factor model of personality disorder. Colloquium presented at the Department of Psychology, University of Virginia, Charlottesville, Virginia.

Widiger, T.A. (2001, October). Five factor model of personality disorder. Colloquium presented at the Department of Counseling Psychology, College of Education, University of Kentucky, Lexington, KY

Widiger, T.A. (2001, December). Toward DSM-V. Keynote address for conference, Toward Meaningful Diagnosis of Gambling Disorders, National Center for Responsible Gaming, Las Vegas, Nevada.

## 2002

Lynam, D.R., & Widiger, T.A. (2002, September). Using the five factor model to parse psychopathy. In J. Newman (Chair), Parsing psychopathy into more etiologically homogeneous subtypes and dimensions. Symposium conducted at the 17<sup>th</sup> Annual Meeting of the Society for Research in Psychopathology, San Francisco, California.

Widiger, T.A. (2002, February). Five factor model of personality disorder. In T. Oltmanns (Chair), Personality traits and pathology. Connections between basic science and clinical research. Symposium conducted at the 3<sup>rd</sup> Annual Meeting of the Society for Personality and Social Psychology, Savannah, Georgia.

Widiger, T.A. (2002, May). Personality Disorder Interview-IV. Workshop presented at the Department of Psychology, University of Illinois, Urbana-Champaign, Illinois.

Widiger, T.A. (2002, July). The ICD and DSM personality disorders as maladaptive variants of common personality traits. Keynote address presented at the 11<sup>th</sup> European Conference on Personality, Jena, Germany.

Widiger, T.A. (2002, August). Training implications of empirically supported assessment. In S. Ilardi (Chair), Empirically supported assessment instruments-An idea whose time has come? Symposium conducted at the 110<sup>th</sup> Annual Meeting of the American Psychological Association, Chicago, Illinois.

## 2003

Widiger, T.A. (2003, May). Dimensional and configural scaling. Invited address at the World Psychiatric Association Symposium on Philosophical and Methodological Foundations of Psychiatric Diagnosis, New York, NY.

Widiger, T.A. (2003, October). Typologies of maritally violent men: a discussion of Holtzworth-Monroe and Meehan (2003). Paper presented at the Toward a National Research Agenda on Violence against Women: A National Research Conference, Lexington, Kentucky.

Widiger, T.A. (2003, October). The problematic boundary of Axes I and II. Invited address

presented at the 8<sup>th</sup> annual meeting of the International Society for the Study of Personality Disorders, Florence, Italy.

## 2004

Widiger, T.A. (2004, January). Personality and personality disorders: The integration of science and practice. In P.T. Costa (Chair), Presidential symposium: Personality and clinical psychology: from the interface to the cutting edge. 5<sup>th</sup> Annual meeting of the Association for Research in Personality, Austin, Texas.

Widiger, T.A. (2004, March). Therapeutic change of personality? Facts and myths. Invited address at 11<sup>th</sup> Symposium Internacional Sobre Actualizaciones Y Controversias En Psiquiatria. Barcelona, Spain.

Widiger, T.A. (2004, March). Five factor model of personality disorders. Colloquia presented at the Department of Psychology, University of Barcelona, Barcelona, Spain.

Widiger, T.A. (2004, May). Dimensional models of personality disorder. In M. First (Chair), DSM-V classification of personality disorders: the white paper and beyond. Symposium conducted at the 157<sup>th</sup> Annual Meeting of the American Psychiatric Association, New York, NY.

Widiger, T.A. (2004, October). Gender bias in the diagnosis of personality disorders. Invited address presented at Institute for Research on Women and Gender, Gender and the Meaning of Mental Health, Ann Arbor, Michigan.

Widiger, T.A. (2004, October). Five-factor model of personality disorder. In D. Lynam (Chair), Dimensional model of personality disorder. Symposium conducted at the Annual Meeting of the Society for Research in Psychopathology, St. Louis, Missouri.

Widiger, T.A. (2004, October). Five factor model of personality disorder. Colloquia presented at quarterly meeting of the Epidemiology Work Group, Lexington, Kentucky.

Widiger, T.A. (2004, November). Five factor model of personality disorder. Colloquia presented at Department of Psychology, Berea College, Berea, Kentucky.

Widiger, T.A., & Simonsen, E. (2004, December). Alternative dimensional models of personality disorder. Keynote address at T.A. Widiger & E. Simonsen (Co-Chairs), Refining the research agenda for DSM-V. Dimensional models of personality disorder. Washington, DC.

## 2005

Widiger, T.A. (2005, May). Gender in the history and future of the DSM. In K. Phillips

(Chair), A sex/gender research agenda for DSM-V. Symposium conducted at the 158<sup>th</sup> Annual Meeting of the American Psychiatric Association, Atlanta, GA.

Widiger, T.A. & Livesley, W.J. (2005, May). Personality disorder research agenda for DSM-IV. Workshop conducted at the 158<sup>th</sup> Annual Meeting of the American Psychiatric Association, Atlanta, GA.

Widiger, T.A. (2005, May). Alternative dimensional models: toward integration. In W.J. Livesley & T.A. Widiger (Chairs), Research agenda for a dimensional classification of personality disorder. Symposium conducted at the 158<sup>th</sup> Annual Meeting of the American Psychiatric Association, Atlanta, GA.

## 2006

Widiger, T.A., & Lowe, Jennifer R. (2006, March). Five factor model of personality disorder assessment. In Steven K. Huprich (Chair), Categorical and dimensional personality disorder diagnosis: Implications for psychological assessment. Symposium conducted at the Annual Meeting of the Society for Personality Assessment, San Diego, California..

Widiger, T.A. (May, 2006). Alternative dimensional models: toward an integration. In W.J. Livesley (Chair), APA research agenda for DSM-V personality disorders. Symposium conducted at the 159<sup>th</sup> annual meeting of the American Psychiatric Association, Toronto, Canada.

Widiger, T.A. (May, 2006). The five factor model for classifying personality disorder: the case for. Invited address at the Annual Meeting of the Association for Research on Personality Disorders, Toronto, Canada.

## **VIII. Teaching**

8/82-University of Kentucky, Department of Psychology

PSY 100 (Introductory), PSY 216 (Statistics), PSY 533 (Abnormal), PSY 603 (Psychopathology), PSY 620 (History and Systems), PSY 622 (Personality), PSY 637 (Clinical Practicum), & PSY 710 (Ethical Issues in Clinical Psychology)

## **IX. Clinical Activities**

8/82-Psychological Services Center,  
University of Kentucky,

Lexington, Kentucky

Individual psychotherapy, supervision, and consultation.

**X. Theses and dissertations chaired**

**Theses :**

Shirley Settle (1985)  
Lynn Warner (1985)  
Becky Bailey (1986)  
James Rogers (1987)  
Elizabeth Wheeler (1987)  
Janet Willer (1988)  
Donald Crowe (1988)  
Brian Moore (1989)  
Miriam Funtowicz (1992)  
Kathleen Lindsay (1993)  
Seth Axelrod (1995)  
Jabbar Hicklin (1997)  
Doug Tzanetos (1998)  
Colleen Ryan (1999) (Co-Chair)  
James Smash (1999)  
Kimberly Saylor (1999)  
Lizabeth Sankis (2000)  
Anne Coker (2002)  
Janetta Jamerson (2004)  
Douglas B. Samuel (2005)

**Dissertations :**

Maureen Ford (1986)  
Carey Bluhm (1987)  
Katherine Hamilton (1988)  
Timothy J. Trull (1988)  
Meg Klein-Trull (1989)  
Kate Freiman (1989)  
James Rogers (1990)  
Elizabeth Wheeler (1990)  
Becky Bailey (1991)  
Jeff Feix (1992)  
James Stokes (1993)  
Elizabeth Corbitt (1993)  
Brian Moore (1994)  
Cynthia Ellis (1994)  
Glenn Thomas (1995)  
Miriam Funtowicz (1996)  
Kathleen Lindsay (1996)  
Sarah Deitsch (1996)  
Lene Larsen (1996) (Co-chair)  
Ted Haigler (1997)  
Kristopher West (1998)  
Seth Axelrod (1999)  
Steve Hagemoser (1999)  
Monica Malcein (2000)  
Kimberly Saylor (2002)  
Jabbar Hicklin (2003)  
Lizabeth Sankis (2004)
