University of Kentucky Legacy Tuition Program 2010-2011

DEADLINES:

Fall Semester – March 1

Spring Semester – December 1

Through the Legacy Tuition Program, the University of Kentucky offers partial tuition awards to eligible non-resident undergraduate children of UK graduates. An eligible student is defined as a child whose mother, father, or step-parent has earned a bachelor, graduate, doctorate, or professional degree from the University of Kentucky, whose parent or step-parent is a member of the UK Alumni Association, and who would normally be subject to non-resident tuition rates.

Please note completion of a medical or dental residency does not constitute a qualifying degree program. Also, parents that completed an associate's degree from a former UK Community College are not considered qualifying graduates.

New first-time freshmen will be eligible for the Legacy Tuition Program for a total of eight semesters.

Transfer students are eligible through the equivalent of their eighth semester of undergraduate study. Semesters of prior college enrollment at other institutions are considered in the total eight semesters.

Automatic renewal each semester is contingent upon the student's full-time enrollment on the UK main campus while maintaining a good academic standing and the qualifying parent's active membership in the UK Alumni Association. Eligibility for continued enrollment in the program will be verified each semester.

Students are required to complete the Legacy application in order to receive the benefits. The deadline to apply for the fall semester is March 1 or December 1 for the spring semester.

Applicants for the Legacy Tuition Program are required to submit the following to the Office of Academic Scholarships no later than March 1 for fall enrollment or December 1 for spring enrollment:

- Completed Legacy Tuition Program Application (this form) bearing the student's and qualifying parent's signatures and date of application.
- Copy of Birth Certificate or Adoption Records of Student (listing student and qualifying parent).
- Copy of High School and College transcripts. The Office of Academic Scholarships will calculate an unweighted GPA from your High School transcript. Transfer students are required to submit both High School and College transcripts.
- Test Score Report (if not on high school transcript). Test scores are based on the composite or total score for one test. Combined scores from two or more tests will not be considered. Your highest composite score as of the application deadline will be used to determine the award.
- In case of step-parent, copy of marriage license.

Legacy Tuition Program Awards

 Students applying with a minimum 1360 SAT (M+CR) or 31 ACT and a 3.75 unweighted high school grade point average (as calculated by the Office of Academic Scholarships) will receive the difference between resident and non-resident tuition rates. These students will be able to attend UK at the rate of in-state tuition.

 Eligible students with a minimum 1250 SAT (M+CR) or 28 ACT and a 3.30 unweighted high school grade point average (as calculated by the Office of Academic Scholarships) will be considered for a scholarship which provides \$4500 per year.

 All other eligible students will receive \$3000 per year, for up to four years of undergraduate study.
