**Each site listed above will serve as a validation site for lambs, goats, and hogs.

** All market lambs, market hogs, and market goats must be R.F.I.D. tagged and have ear tissue samples collected for DNA testing. A representative from the Kentucky Department of Agriculture will be present at each site to collect DNA samples. A \$4 per head tagging fee will be collected on each animal that is validated.

**Validations for market hogs originating from legitimate closed swine herds will also be provided at the individual farms. Contact your local 4-H YD Extension Agent to make arrangements.
