

The Sheep Producer's Alphabet

Come join us on May 21st for the **40th Annual Sheepprofit Day!** This year's theme will be the **ABC's** of sheep production. Starting with **A** for **Alfalfa** and ending with **Z** for **Zoonotic**, we'll go through the alphabet, a letter at a time, to provide you with what you need to know to be a well-informed, and profitable, sheep producer. Then, you'll have a chance to test your sheep sense by participating in the ever-popular sheep IQ test. The day will end, as always, with a complimentary smoked lamb supper prepared and served by the University of Kentucky Block and Bridle Club.
