Using an Internet Mapping Program to Get Driving Directions:

- Type in your departure address
- Type in Broadwell, KY for your destination address – the directions should take you to the intersection of Russell Cave Rd. (State Rd. 353) and US 62 which comprises the northwestern property boundary of the south block of the farm. If you were heading north on 353 or east on US 62, continue another ¼ mile until you reach the Old Griffith Tavern and Griffith Woods main entrance sign at a gravel road on the right. That is the main site entrance. If you were heading westbound on US 62 you'll see the main entrance and sign on the left about ¼ mile before you reach Broadwell.
