

Spring UK Graduates in the College of Agriculture (including School of HES grads),

I wanted to let you know about some job opportunities available with the University of Kentucky College of Agriculture Cooperative Extension Service. We have a number of County Extension Agent positions open currently in the 4-H Youth Development area and in the Family and Consumer Sciences area. Also, we will have some Agriculture and Natural Resources agent positions open soon.

I encourage you to check our jobs web site for more information:  
<http://www.ca.uky.edu/agpsd/employ.htm>

Also, you may wish to talk to our program leaders in the different program areas or our Personnel officer for more information and to learn more about what a Cooperative Extension Agent does: Jimmy Henning

I would also be glad to talk personally with any of you who have an interest in Cooperative Extension. We have a great system and offer you an opportunity to make a positive difference in the lives of Kentuckians. With offices in each of our 120 counties, there are opportunities across the state for you to become involved in using your talents to help people. I encourage you to contact us if you think you might be interested.

Sincerely,

Larry Turner
