

The Extension Summer Intern Program is accepting applications for 2006 summer employment. Application review will begin on January 5, 2006. Please assist us in spreading the word about this employment opportunity to students. Specific information about the internship and an application can be found at the following website:
<http://www.ca.uky.edu/agpsd/employ.htm>

PROGRAM HIGHLIGHTS

- * 12-week summer internship in a County Extension Office located throughout Kentucky or in a State Extension office.
- * Internships can lead to full time employment.
- * Application deadline: application review begins on January 5, 2006
- * Majors considered include all areas of Agriculture, and Family and Consumer Sciences (ie. nutrition, family studies, FCS Education, fashion merchandising, interior design), Education, Recreation, Communications, Social Work, Psychology, or related fields.
- * Applications are now being accepted.
- * Interviews will be conducted in January and February. Applicants should know by March if they are selected for a position.
- * A limited number of paid interns will be available at \$1,500.00 per month. Additional intern positions will be available for college credit with no salary compensation.
