

**Position:**

Assistant Professor  
Forest Ecologist  
Frostburg State University

**Description:**

This is a full-time, tenure-track position as a Forest Ecologist in the Department of Biology. The department offers B.S./B.A. programs in Biology, Wildlife and Fisheries, and Interpretive Biology and Natural History, and M.S. programs in Wildlife and Fisheries Biology and Applied Ecology and Conservation Biology. Responsibilities include teaching courses in forest science, plant community analysis, and scientific investigation; contributing to the general biology program and undergraduate and graduate research; collaborating with faculty on conservation biology and natural resource management projects, and coordinating the Forestry minor. The University seeks an individual with a Ph.D. in Forest Ecology or related area, a strong background in forestry, sampling design, and statistics, and excellent potential in teaching and research. College-level teaching experience is preferred. Salary is competitive.

**Position Available:**

August 2006

**Application Deadline:**

19 December 2005

**Application:**

To apply please send a letter of interest, resume, and contact information for three professional references by 19 December 2005 to:

Frostburg State University
