

In addition to the entry level forester positions, I have a great need for two forestry program specialists to be located in Frankfort. These two positions require a degree in forestry plus three years experience in the forestry. However graduate study in forestry will substitute for the experience on a year for year basis.

One of the forestry program specialists will be responsible for our landowner education program, and the other will be our urban forestry partnership coordinator. The position is a grade 14 with a salary range of **\$2771.28 - \$3671.38** depending on experience.

Please tell anyone who may be interested to call Diana Olszowy at 502-564-4496 for more details.
