Back to the beach

A photograph of a sunset over the ocean. The sun is a bright white-yellow circle on the horizon, surrounded by a thick layer of orange and red clouds. The sky transitions from deep orange near the horizon to a dark purple at the top. The ocean is dark blue with small, choppy waves. In the lower-left quadrant, white text is overlaid on the image.

am dreaming always the same
fruits of gold, juices of heaven
always finding more than seven
wonders for me to reclaim.
i just did it i just came
through this path fertile and rocky
and so, i also got lucky
for dreaming oceans apart,
that's why I am growing my heart
over the heart of Kentucky.
