KENTUCKY YOUTH SEMINAR SCHOLAR EXPECTATIONS

All Kentucky Youth Seminar participants are expected to conduct themselves as ladies and gentlemen. Good common sense will usually dictate appropriate social behavior. As a reminder, please note the following guidelines:

**BEHAVIOR**

1. Participate enthusiastically. By giving your best, you will get the most out of the opportunities presented to you.
2. Attend all seminar sessions. Anyone missing a session without a valid excuse will not be eligible for scholarships or any other awards. The state KYS committee will determine validity.
3. Wear your identification badge at all times.
4. Respect University property and facilities. This includes fire prevention equipment and initiating false alarms. *Participants are liable for any intentional damage.*
5. No alcoholic beverages or drugs will be allowed. University buildings are smoke-free.
6. Remain on University grounds in the expected areas unless accompanied by an Adult Counselor.
7. No visiting in rooms belonging to the opposite sex at any time.
8. Room check is 30 minutes after the scheduled program ends for the day. Participants must be in their rooms.
9. No use of any electronic devices, even cell phones, during seminar program except during breaks or meals that do not have a speaker.
10. No food may be ordered at night unless approved by an adult.
11. Each person is responsible for his/her key to the dorm room. There is a $30.00 fee for keys not returned.

Failure to abide by these rules may result in participants being sent home and/or scholarships/trips denied.

**Additional Requests:**

1. Teens are strongly discouraged from driving cars to the Seminar. Unless being used in an official capacity cars should be left parked for the duration of the seminar and keys given to their Adult Counselor.
2. Adult Counselors and/or Youth Seminar personnel need to be informed of any problems related to discipline.
3. Any injury, accident or illness should be reported to an Adult Counselor immediately.
