

2 January, 2008

Dear Exhibitor,

Plans have been finalized for the 2008 Turf and Landscape Management Short Course. We will be at the Executive Inn East in Louisville, KY on February 18 - 22. Our short course this year includes 1.5 days for commercial exhibits. The educational program will have speakers from our commercial industry as well as our state universities.

As you are aware this is a highly attended event. Due to the timing and the number of turf professionals this is a "do not miss" event for distributors of turf products in the Kentucky area. We hope you will join us in showing your products at the Short Course.

Tabletop displays will be located within or next to the main classroom. The exhibit area will be open Wednesday, February 20 and Thursday morning, February 21. There will be several opportunities each day for participants to visit your table. Product literature and other exhibit items may be displayed on the 8' table that is provided.

If you would like to participate, please return the commitment form and a check (payable to The Kentucky Turfgrass Council) for \$250.00. Tabletop assignments will be made on a first paid basis (based on postmark). Payment and commitment forms must be received by February 11, 2008. We ask that you set up your display in late afternoon Tuesday, February 19 or before 8:00 A.M. on Wednesday, February 20. You may remove your exhibit after noon on Thursday, February 21.

If you have any questions please give me a call at (270)-362-4271. We appreciate your patronage of the KTC and thank you so much for your continued support.

Sincerely,

Brian Holland
KTC Director & Exhibit Chairman
