# Connecting Generations of the Pharmacy Family

Spring is a time to celebrate new beginnings – a season of rebirth and renewal. With that mind, the UK College of Pharmacy has decided to unveil what we hope becomes a new spring tradition.

Please join us at the building on South Limestone for the UK College of Pharmacy's inaugural family picnic. The picnic, which we hope will become the signature event of Spring Weekend, is designed with families in mind and will feature activities for the young and young at heart. We encourage all of our alumni and friends to bring their entire families to the picnic.

The picnic will begin at 2 p.m. Saturday, April 16. Dean Tracy and the COP family look forward to seeing you there.
