

# ***SEAHO 2007 DIVERSITY SHOWCASE***

Calling ALL SEAHO 2007 attendees –

It's your time to RUN WILD for Diversity! The SEAHO Human Relations Committee is pleased to invite each school to participate in the **DIVERSITY SHOWCASE** by bringing a poster, tri-fold, flier, or handout demonstrating diversity celebration on your campus!

This is a great opportunity to showcase diversity related residence hall programming, passive programming efforts, campus events, multicultural theme floors, speakers, celebrations, initiatives, and anything else related to diversity celebration.

Each institution is encouraged to bring a poster, flier, tri-fold, handout, or display to showcase diversity related programming that has occurred on your campus. The **Diversity Showcase** will be displayed during the SEAHO Social on Wednesday night - following the Opening Banquet. There are no size limitations – this is a great activity for a conference delegation to work on together! Be sure to show school pride and include a contact name/email address for attendees that might have follow up questions about the amazing efforts of your school!

**You can drop your Showcase materials off at the Registration table or bring it with you to the Opening Banquet or SEAHO Social.**

The SEAHO Social is sponsored by the Human Relations Committee and features numerous diversity celebration activities in addition to some wonderful desserts – Diversity ribbons; buttons; make your own bead pins; Diversity Beans; Silent Auction for a local charity; and our new **Diversity Showcase**.
