UNIVERSITY OF KENTUCKY
The Graduate School

ADVISORY COMMITTEE

The Advisory Committee has a core of *four* members*. This core consists of the Major Professor as the Chair, two other members from the major area, and at least one representative from any minor area(s). At least one member must be from outside the academic program (department). All members of the core must be members of the Graduate Faculty of the University of Kentucky and three (including the Major Professor) must possess full graduate faculty status. Faculty members who do not hold graduate faculty status may serve as non-voting members of the advisory committee. The core of the advisory committee must be kept at its full complement throughout the graduate career of the individual student. Thus, in the event of a vacancy on the committee (occasioned by resignation, faculty leave, or inability to serve), an appropriate replacement must be made prior to the making of any committee decision. *Any student who passed the oral qualifying examination prior to May 01, 2001 must maintain an advisory committee core of five members; the same composition rules apply as listed above.
