

COURSE REQUEST ISC

Complete this form if you are a pre-ISC major or ISC major requesting an ISC course

First, make sure you've met the prerequisite(s) for the course(s) you're requesting.

Being placed on a REQUEST LIST for a course offers no guarantee that entrance into the class will occur.

If it becomes possible to add a student to a course, the School will add the student. This added course will show up on your list of enrolled courses, which you can readily check.

Please complete the information that's requested below and then leave the completed form in Lisa Brown's mailbox or e-mail to labrow2@email.uky.edu.
