

# COURSE REQUEST

**This form is for School of Journalism and Telecommunications majors or pre-majors requesting a course within the School but outside their program of study.  
(Use for ISC/JOU/TEL courses only!)**

Being placed on a REQUEST LIST for a course offers no guarantee that entrance into the class will occur.

If it becomes possible to add a student to a course, the School will add the student. This added course will show up on your list of enrolled courses, which you can readily check.

Please complete the information that's requested below and then leave the completed form in Lisa Brown's mailbox or e-mail to labrow2@email.uky.edu.
