

GET THE CREDIT YOU NEED AND COOL GEAR

Earn the community time you need for school, while helping former Pittsburgh Steelers' 8-time All-Pro Center Dermontti Dawson provide tutoring to at-risk students through his PRO Foundation's PRO TEAM. You'll receive cool gear and swag like shirts, sweats, Meijer and Applebee's gift cards, etc.

Launched in September of 2006, the PRO TEAM is designed to change lives by providing social reinforcement, interactive educational opportunities and mentoring needed to make it through the key educational transition points between high school and college.

The program consists of thirteen eighth grade students from Leestown Middle School participating in this six-year program. The students were chosen based on their having the ability to go on to college, but without help in the core areas would not.

From October to May, the PRO TEAM members are provided reading tutoring on Mondays and Math Tutoring on Wednesdays. **In order to win, we need you on our team!**
