Other Information

In determining the date of the final examination, "classes which meet first" refers to the initial class meeting of the normal instructional week (Monday through Friday).

No final examination shall be given before Monday, May 3, 2010.

If a final examination is to be given, it will be administered during the examination period as scheduled above by the University Registrar.

Final examinations may be given at times other than the regularly scheduled time in the following instances:

- **Faculty:** In the case of conflicts or undue hardship for an individual instructor, a final examination may be rescheduled upon the recommendation of the chairperson of the department and with the concurrence of the dean of the college and the University Registrar.
- **Students:** Any student with more than two final examinations scheduled on any one date shall be entitled to have the examination for the class with the highest catalog number rescheduled.

In case this highest number is shared by more than one course, the one whose departmental prefix is first alphabetically will be rescheduled. The option to reschedule must be exercised in writing to the appropriate instructor two weeks prior to the scheduled examination.

If an examination schedule conflict is created by faculty rescheduling of an examination, the student shall be entitled to take the rescheduled examination at another time during the examination period by mutual agreement with the instructor.

In the case of undue hardship for an individual student, a final examination may be rescheduled by the instructor.

Except for the Colleges of Law, Medicine, and Dentistry, the above schedule of final examinations shall apply to all colleges of the University.

To determine the final examination time for a course that meets at a time other than the usual MWF or TR meeting pattern (e.g., MWF 8:30 a.m. - 9:20 a.m. or TR 10:20 a.m. - 11:35 a.m.), the course start time will be considered as meeting at the beginning of that hour (e.g., 8:00 a.m. or 10:00 a.m.).
