### COURSE OFFERINGS ARE LISTED ALPHABETICALLY

- Course offerings are listed **alphabetically by course prefix.**
- Refer to the “Course Offerings Directory” on pages 36-37 to locate course offerings in this book. Also, use the **guide headers** at the top left- and right-hand pages to help navigate.

### Class Locations Subject to Change

Please note that all class locations published in this Schedule of Classes are subject to change. For the most up-to-date information regarding class locations, please refer to the online schedule of classes on myUK or at: [www.iris.uky.edu/coursecatalog/](http://www.iris.uky.edu/coursecatalog/).

### Please Verify Course Prerequisites

Students are advised to check the *Bulletin* or myUK for course prerequisites. While every effort was made to include all course prerequisites and course notes, there may be instances where the prerequisite and/or course note is missing.

## Helpful Hints for Using the Schedule of Classes

- In most cases, the **course title** is listed only once; subsequent sections are identified by their section number only.
- **Prerequisites** are listed after the course title only. Be sure to check below the title of a course for any prerequisites.
- **Restrictions** that apply to all sections of a course appear **above** the course title.
- Courses that can be used to fulfill **University Studies Program (USP)** requirements are listed on pages 28-33. USP courses that are offered in the 2009 fall semester appear in **boldface** type.
- **Distance Learning courses** have a 200-series section number (e.g., ENG 101 201, AGR 360 202).
- **Evening and Weekend courses** have a 400-series section number (e.g., COM 181 401, CE 655 402).
- **Center for Rural Health courses** have a 500-series section number (e.g., CLS 832 501, PT 857 502).
