

**The Department of  
Kinesiology and Health Promotion  
at the University of Kentucky**

is proud to offer the inaugural year of the

## **Physical Activity and Wellness Schools (PAWS) Institute**

**June 12, 2009  
8:30 am-3:00 pm**

Bryan Station High School  
201 Eastin Rd.  
Lexington, KY 40505

The **PAWS Institute** is a professional development opportunity offered for health and physical education teachers in grades K-12. Highlights about the institute include:

- Robert Pangrazi and Beth McNeill will be the keynote speakers.
- Each participant will be provided with a certificate of participation for 6 hours.
- Additional sessions focus on innovative games, health education, health promotion, dance, fitness, classroom physical activity, and more!
- All this for only \$50!!

### **Robert P. Pangrazi**

Robert P. Pangrazi is a professor emeritus in the Department of Kinesiology at Arizona State University. He is best known for his books, *Dynamic Physical Education for Elementary School Children* and *Dynamic Physical Education for Secondary School Students* which have sold over 600,000 copies and are used for teacher preparation courses in colleges and universities throughout the world.

### **Beth McNeill**

Beth McNeill is an Associate Instructional Professor of pedagogy with the Department of Health and Kinesiology at Texas A&M University. She is a 20-year veteran of public school teaching working with middle school, high school, and at-risk pregnant or parenting students. Her latest publication, *Health Education: Creating Strategies for School & Community Health*, (3rd edition) is in production and is expected to be released in August 2009.
