Senate Council Chair Jeffrey Dembo
University of Kentucky
Senate Office
152 Bowman Hall
Lexington, KY 40536

Professor Dembo,

We are asking that the College of Dentistry Academic Calendar for 2003-2004 be changed to reflect the attached revised calendar. The changes are listed below:

- The Academic Year ending date for 2nd year students had been incorrectly listed as “July 2 Friday” in the calendar originally submitted to the Registrar. We wish to list the correct date, “June 18 Friday.”
- We wish to remove the date “Clinic Begins for 4th Year Students” (June 2 Monday), which is incorrectly listed. We have indicated that the “Academic Year Begins for the 4th Year Students” on June 16 Monday.
- The Clinical Courses for 4th year students begin on August 11, as indicated on the revised calendar.
- For consistency, we have also made minor changes to the phrasing of the beginning and ending dates for the academic year for each class, and have changed “College of Dentistry Graduation” (May 8) to read “College of Dentistry Hooding Ceremony.”
- We wish to remove the date for “Research Day” (February 17 Tuesday).

Please take the revised calendar to the Senate Council for approval. If there are no objections, please have the Registrar change the calendar accordingly and announce it to the Senate, if necessary.

Thank you for your assistance.

Dr. Karen West, Associate Dean
Office of Academic Affairs
