

*Campus  
Walking Map –  
Indoor*

Distance = .62 mi  
(Includes stairs)

Covered/Indoor route for  
year-round walking and  
exercise during inclement  
weather!

Add additional laps in the  
CTW basement to  
increase your distance!  
3 laps = ¼ mile

**From the Starbucks in the Ky Clinic go straight into the CTW Building (200). Follow the sign to the basement walking route by taking a left into the stairway and going downstairs. Make a lap and return to the stairwell. Go up to the third floor and make a right after you exit the stairwell. Turn right and walk back into the Ky Clinic. Make a right at the third floor information desk and cross the pedway into the hospital on the 2<sup>nd</sup> floor. Go right at the end of the hallway. Before radiology, take the D stairs on the left down to the first floor. Go left, then right through the North Lobby, taking a right toward the main lobby. Walk out the front of the hospital and take a left down the sidewalk. Take a right into the Gill Heart Institute (294) and go up to the 3<sup>rd</sup> floor. Turn right and take the pedway into the CTW Building. Turn right down the hall and then make a left into the main foyer. Go right down the hall and make a right into the stairwell. Go down to the first floor. Make a right out of the stairwell and return to the Ky Clinic.**
