

**CMDM (Course Management Data Mart)  
Business Rules Tickler**

| Date of Meeting | Description   | Rule Xref |
|-----------------|---|-----------|
| 7/18/02<br>Data | Need to sum attempted and earned hours on SP to get total by course. You cannot just multiply the number of students by the credit hours on the course. | 1         |
| 7/18/02<br>Data | Only way to tie course to degree is through degree audit execution. Would have to write job to do this. See Screen 621, 622 and 623.                    | 2         |
| 9/11/02         | Calculations for faculty and student (graduate and undergraduate) FTE.  |           |
| 9/11/02         | Definition for Regular full-time faculty (instruction, research, etc.)  |           |
| 9/25/02         | Those who are full-time and Lecturer Instructor Non Tenure or Special Title Tenure or Regular Tenure Eligible are included as instructional faculty.    |           |
