

## **CMDM Data Quality Request – PRF-00025 Addendum 1**

On screen 134 **in SIS in location** ‘OFF LOC’, place a three-character field (Alpha – Numeric) from record IARRCMT using filler. This three-character code will reflect the activity of the course **meeting pattern**. This field should have an edit and translation table attached.

On screen 130 **in SIS** under the heading of Term Contact Hours, **place** the **instructor’s** Activity Type **from record IARRCIC using filler**. **It should be one of those** displayed on screen 134. These activities should have the ability to be duplicated on screen 130.

**On screen 130 in SIS under the heading of “Role”, place a two-character field (Alpha-Numeric) from IARRCIC using filler. This field should indicate what role each individual plays in the course instruction. For example, roles could include primary instructor, secondary instructor, grader, etc. This field should have an edit and translation table attached.**
