To enter the hospital at the main entrance, use the ped-way or walk across Audubon Plaza drive and walk up the ramp and enter the building. From the main entrance (first floor), walk down the main hallway past admitting (on the left) until you reach the staff elevators (second elevator shaft on the right). Take the elevators down to Lower Level 1 (LL1). Once on LL1, follow signs directing you to the main pharmacy entrance. Enter through the first door and you will see a second door and a window into the pharmacy. Ring the doorbell and inform the staff member that you are a pharmacy student.
