## **Campus Security Act Legal Requirements:**

**Federal Law:** The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (referred to as the “Clery Act”) is part of the Higher Education Act. It requires institutions of higher education that receive federal financial aid to report specified crime statistics on college campuses and to provide other safety and crime information to members of the campus community. The U.S. Department of Education holds enforcement authority for this Act and there is a minimum penalty of \$25,000 for each violation of the regulations that define the reporting requirements.

**State Law:** The Kentucky Campus Safety and Security (referred to as the Michael “Minger Act”) requires higher education institutions in Kentucky to report crime statistics to current and prospective students and employees, to maintain a daily crime log, to report a fire or threat of fire to the State Fire Marshal immediately, and to issue special reports when there is an ongoing threat to the safety of students and employees. An annual report of campus safety policies, programs and statistics must also be submitted to the Kentucky Council on Postsecondary Education.

**Compliance:** The UK Office of Emergency Management (UKOEM) has been designated as the compliance office for insuring that the requirements of the Clery/Minger Acts are met by the designated Campus Security Authorities (CSAs) and the University as an entity. This office is also responsible for issuing the annual reports and for coordinating the release of all Campus Crime Bulletins with the designated CSAs. This designation can be found in UK’s Administrative Regulation II-1.2-8 titled “POLICY ON DISCLOSURE OF CAMPUS SECURITY AND CRIME STATISTICS.” For the full text of the AR, go to <http://www.uky.edu/Regs/files/ar/ar053a.pdf>.

## **Crime Reporting:**

**Timely Warning Policy:** The UK Police Department (UKPD) is responsible for issuing a Crime Bulletin when a crime is reported to or brought to the attention of that office or the Office of Emergency Management UKOEM, and that crime represents a threat to the safety of members of the campus community. Information for bulletins also comes from other law enforcement agencies or other offices. Crime Bulletins will be distributed as soon as possible after the incident is reported; however, the release is subject to the availability of accurate facts concerning the incident. Crime Bulletins are printed and distributed to any number of areas on campus based upon the nature of the event. These areas may include residence halls, other on-campus residential facilities, libraries, UK HealthCare facilities, and any additional areas that may assist in alerting the campus community. Crime Bulletins are also distributed via the campus e-mail network, posted on the University web page, and distributed to local media. (For more details, please see the full policy text at <http://www.uky.edu/Regs/files/warning.pdf>).

**UK Alert:** UK Alert is the University’s emergency notification system and may be used to communicate official information during an emergency or crisis situation that disrupts normal campus operation or threatens the immediate health or safety of the campus community. This system is only used when immediate action is required by the recipient. UK Alert is available to all University students, staff, faculty, visitors and other interested parties on a voluntary self-subscription basis. For further information or to sign-up, go to [www.uky.edu/ukalert](http://www.uky.edu/ukalert).

**Disclosure of Crime Statistics:** UKOEM has been designated as the compliance office for insuring that the requirements of the Clery/Minger Acts are met by the designated CSA and the University as an entity. This designation can be found in UK's Administrative Regulation II-1.2-8 titled "POLICY ON DISCLOSURE OF CAMPUS SECURITY AND CRIME STATISTICS." For the full text of the AR, go to <http://www.uky.edu/Regs/files/ar/ar053a.pdf>.

Crime Information/Statistic Sources: UKOEM gathers crime statistics from a variety of law enforcement and CSA sources

1. Law Enforcement: The majority of crime statistics tracked for compliance with the Clery/Minger Acts are provided by the UKPD. Additionally, the Lexington-Fayette Urban County Government Division of Police (LFUCG PD) provides daily crime reports to the University for review in order to track and log any University related crimes. Lastly, individual inquiries are made as needed to other law enforcement agencies (Kentucky State Police (KSP), Fayette County Sherriff) who may be involved in addressing crime on the University's campus.
2. Campus Security Authority (CSA): As defined by the Clery/Minger Acts are campus officials that have a significant responsibility for students and campus activities. CSAs are provided with basic training on their responsibilities as well as forms to use when reporting crimes in compliance with the Clery/Minger Acts. The following have been identified as CSAs for the University:
  - a. Student Affairs
    - i. Dean of Students
    - ii. Campus Recreation
    - iii. International Affairs
    - iv. Residence Life
    - v. Student Activities
    - vi. Student Services
    - vii. Violence Intervention and Prevention (VIP) Center
  - b. Academic Advisors and Counselors
  - c. Advisors to Registered Student Organizations
  - d. Athletic Director(s) and Team Coaches
  - e. Housing
  - f. Parking and Transportation Services (bus drivers and gate attendants)
  - g. Contract Security Workers of any University unit
3. Preparation of the Annual Security Report: The Annual Security Report (ASR) is prepared each spring by UKOEM. The ASR outlines required safety and security information as well as crime tables for the previous three (3) calendar years. The ASR is distributed in both electronic and print format and is posted in multiple places on the University website.

### **How to Report Crimes:**

Contact UKPD by:

1. Dialing 911 from any campus phone to report an emergency
2. Dialing (859) 257-1616 to report non-emergencies

3. Dialing #UKPD (#8573) from any cellular phone to make direct contact with UKPD. \* Note: Dialing 911 from a cellular phone will connect you to the Lexington Fayette Urban County Government Division of 911.
4. Anonymously through the web at <https://www.tipsubmit.com/WebTips.aspx?AgencyID=762>
5. Reporting in person may be done at UKPD Headquarters, 305 Euclid Avenue (Corner of Rose Street and Euclid Avenue)

The UKPD Dispatch Center is staffed twenty-four (24) hours a day, seven (7) days a week by trained and state certified telecommunications officers. UKPD's telecommunications office is equipped with a telecommunication device (TDD) for communications with the hearing impaired.

The University campus is equipped with numerous emergency telephones. These phones are programmed to automatically dial UKPD when activated. The telecommunications officer receiving the call knows exactly where the call is originating. To use these phones, simply push the red button and the emergency call will be initiated. A campus map displaying the locations of these phones may be viewed at [http://maps.uky.edu/printablemaps/2008\\_Visitor\\_Map.pdf](http://maps.uky.edu/printablemaps/2008_Visitor_Map.pdf).

UKPD maintains direct communications with the appropriate local police, fire and emergency medical response agencies in order to facilitate their responses in an emergency. Direct communication is also maintained with UKOEM, the Environmental Health and Safety Department, Fire Marshal, Physical Plant Division, Parking and Transportation Services, and Medical Center Security.

UKPD encourages the prompt and accurate reporting of all criminal matters.

**Voluntary Confidential Reporting:** The University of Kentucky does not have a Voluntary Confidential Reporting Policy. UKPD encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, UKPD cannot hold reports of crime in confidence. For purposes of inclusion in the annual disclosure of crime statistics, confidential reports are generally made to other University CSAs who meet certain requirements and only under certain situations. Anonymous reports of crime may also be made to the UKPD website at <https://www.tipsubmit.com/WebTips.aspx?AgencyID=762>

### **Security of and Access to Campus Facilities:**

Access to campus buildings and grounds is a privilege extended to students, faculty, staff, and authorized guests. The University encourages an open environment with limited constraints to ensure the reasonable protection of all members of the community.

**Campus Housing:** Security of all student residences is a responsibility shared by Campus Housing, Residence Life, and the students who reside in the buildings. The University has a policy of having residences secured twenty-four (24) hours a day, seven (7) days a week. Residents of each building gain access via their Student ID cards. Guests request entrance to the buildings via an intercom system. Campus Housing and Residence Life employees perform preventative maintenance throughout the residences as well as responding to reported issues. Students are encouraged to keep their room and apartment doors locked at all times, are expected to ensure that doors latch behind

them when they enter or leave a building, and not to prop doors open. Residents should stop and question any stranger in the building (e.g., Who are you here to see?) and notify campus police immediately of any suspicious activity. All security failures must be reported as soon as they are discovered to Residence Life staff (at the front desk) or UKPD.

**Academic and Administrative Buildings:** Most academic and administrative buildings on the University's campus are open during weekday business hours. Some buildings or labs are open for longer periods to accommodate evening classes, research, or other special program needs. Individuals who wish to access these buildings during non-business hours or special events should contact the appropriate department head.

**Healthcare Facilities:** The University's Chandler and Good Samaritan Hospitals are open for operation twenty-four (24) hours a day, seven (7) days a week. Access to portions of these healthcare facilities is limited based on time of day and/or work performed in the area. Persons needing access to secured areas should contact Medical Center Security and/or the appropriate UK Healthcare department.

**Security Considerations in the Maintenance of Campus Facilities:** The University is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. UKPD continually conducts security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. If lights are out or dim, officers will initiate a work order to the Main Campus or Medical Center Physical Plant Divisions (collectively PPD). We encourage community members to report any deficiency in lighting to the appropriate PPD office. Any community member who has a concern about physical security should contact UKPD at (859) 257-1616.

UKPD and the PPDs work together to identify inoperative locking mechanisms. We encourage community members to promptly report any locking mechanism deficiency to the appropriate PPD office (Main Campus or Medical Center). Additionally, PPD is available to respond to calls for service regarding unsafe facility conditions. These conditions may include, but are not limited to, unsafe steps or handrails, unsafe roadways on campus and unsecured equipment.

### **Campus Law Enforcement Policy:**

UKPD is responsible for a full range of services including crime reports, investigations, medical emergencies, fire emergencies, traffic accidents, enforcement of state laws and all other incidents requiring police assistance.

**Enforcement Authority:** University police officers receive their law enforcement authority through the provisions of Kentucky Revised Statutes 164.950 – 164.990. University police officers have law enforcement authority on property owned or controlled by the University and streets that run through or adjacent to campus. They are also empowered to conduct University-related criminal investigations anywhere within the Commonwealth of Kentucky. If minor offenses involving University rules and regulation are committed by a University student, UKPD may also refer the individual to the disciplinary division of Student Affairs.

**Working Relationship with Federal, State, and Local Police Agencies:** University police officers maintain a close working relationship with local, state and federal law enforcement agencies. Officers meet with their counterparts from LFUCG PD; KSP; Federal Bureau of Investigation (FBI); U.S. Postal Inspectors; Alcohol, Tobacco and Firearms (ATF); and the Secret Service regarding common crime problems and criminal activity on and near campus.

UKPD participates in monthly Regional Crime Information Exchange (RCIE) and Regional Organized Crime Information Center (ROCIC) meetings with other law enforcement agencies from Kentucky. Crime related reports and statistics are routinely exchanged among participating agencies. University police officers are also active members of the International Association of Campus Law Enforcement Administrators (IACLEA) and the Kentucky Association of University Law Enforcement Administrators (KAULEA). UKPD representatives also attend quarterly Kentucky ProTECT meetings, sponsored by the Secret Service, to discuss computer related financial and identity crimes.

**Prompt Crime Reporting:** The University of Kentucky encourages prompt reporting of all crimes and public safety related incidents to the UK PD. Options for reporting crimes to UKPD include:

1. Dialing 911 from any campus phone to report an emergency
2. Dialing (859) 257-1616 to report non-emergencies
3. Dialing #UKPD (#8573) from any cellular phone to make direct contact with UKPD. \*\* Note: Dialing 911 from a cellular phone will connect you to the Lexington Fayette Urban County Government Division of 911.
4. Anonymously through the web at <https://www.tipsubmit.com/WebTips.aspx?AgencyID=762>
5. Reporting in person may be done at UKPD Headquarters, 305 Euclid Avenue (Corner of Rose Street and Euclid Avenue)

### **Security Awareness and Crime Prevention:**

The following is a list of crime prevention and security awareness programs and projects employed by the University. Most programs are provided free of charge.

1. **Alcohol Awareness and Education:** UKPD and the Dean of Student's Health Education Office offer educational and preventative presentations. This programming is conducted each year in the residence halls, for fraternities/sororities and any other organization requesting such presentations.

College Alcohol Use Student Educators (CAUSE) is a group of active socially conscious students dedicated to helping educate peers and the surrounding community on the harmful effects of high-risk alcohol use. Through presentation to fellow students, campus-wide events such as Spring Break Safety Week, Alcohol Awareness Week, and Reality Check, this organization demonstrates that college students do not have to use alcohol to have fun.

2. **Community Awareness Programs:** Members of UKPD actively participate in University sponsored awareness programs, such as resource fairs, staff appreciation, health fairs, etc. The purpose of these programs is to provide the University community with a wide range of

information concerning the different resources available to them through the different University departments.

3. **Community Policing Program:** University police officers attend meetings of many departments and campus associations to provide up-to-date crime prevention information and to hear the concerns of members of the University community about crime and safety issues.
4. **Crime Log:** The University's Crime Log can be found on-line by visiting <http://iweb.uky.edu/crimelog/Default.asp>. This log contains all of UKPD's activities such as reports taken and arrests made, as well as any incidents reported to the designated CSAs. Additionally, crimes occurring on University property that are reported to the LFUCG PD are included on this log once we are notified by the LFUCG PD. This site is updated every twenty-four (24) hours Monday through Friday. Additionally, a printed log containing UKPD activity is maintained by the UKPD Telecommunications Office and is available for viewing at all times.
5. **Crime Prevention Presentations:** UKPD works with Residence Life and other student organizations to present information regarding personal and property safety, crime awareness, emergency procedures, and police resources. In addition to hosting presentations, preventative information is also conveyed through bulletin boards located in residence halls. The Specialist recommends security improvements to the University community and administration that are based on the latest crime prevention standards and/or design. The Specialist conducts crime prevention presentations on methods related to self protection, protection of property, and coordinates the scheduling of STARR (Self-defense Techniques and Risk Reduction) classes.
7. **Electronic Alarm System:** A computer-based electronic system, monitored by an off campus alarm company, immediately notifies UKPD dispatch upon activation. Alarm systems are configured to denote duress, intrusion, fire, and other activations. In the instance of fire alarms, the Lexington-Fayette Urban County Division of Fire and Emergency Services is notified immediately, followed by UKPD.
8. **Emergency Telephones:** The University campus is equipped with numerous emergency telephones. These phones are programmed to automatically dial UKPD when activated. The telecommunications officer receiving the call knows exactly where the call is originating. To use these phones, simply push the red button and the emergency call will be initiated. Phones are tested monthly to ensure proper function. A campus map displaying the locations of these phones may be viewed at [http://maps.uky.edu/printablemaps/2008\\_Visitor\\_Map.pdf](http://maps.uky.edu/printablemaps/2008_Visitor_Map.pdf).

11. **Operation Identification:** UKPD maintains engraving tools that may be checked out and used by members of the University community. Engraved property is much easier to identify and return if stolen. Members of the community are also encouraged to use [www.juststolen.net](http://www.juststolen.net), a free service, to register the make, model, and serial numbers for bicycles, electronics and other property.
12. **SAFECATS Student Escort Service:** Air Force ROTC students work in conjunction with UKPD and the Student Government Association (SGA) to provide walking and mobile escorts for students to and from any destination on campus. This free service is provided Sunday through Thursday, 8:30pm to 1:30am with extended hours during final exam weeks. To contact SAFECATS, call 859-257-SAFE (7233).
13. **Safety Net:** This program is offered by the Violence Intervention and Prevention (VIP) Center through undergraduate Academic Advisors. Participating Academic Advisors have resource cards that are made available to students when needed. The cards contain information on such services as the VIP Center, Bluegrass Rape Crisis Center and others.
14. **Security Surveys:** Security surveys, or audits, may be conducted annually for various departments, organizations and individuals. To request results of past surveys or to request a new survey, contact the UKPD Community Affairs staff at (859) 257-5108.

**Policy:** The University is committed to maintaining an environment that is safe and free from sexual assault, stalking and relationship violence. The University will not tolerate sexual assault, stalking, and relationship violence (including threats of sexual assault and related relationship violence) against its students, faculty, staff, or visitors. In an ongoing effort to prevent sexual assaults, stalking and relationship violence, the University provides education and prevention programs; investigates complaints of sexual assault, stalking, and relationship violence; dispenses corrective or disciplinary action where appropriate; provides information on obtaining appropriate counseling and medical care; and provides complainants with information on pursuing criminal or other legal action. ### **Safe Housing Practices and Policies:**

**Fire Suppression Notification:** The University of Kentucky Campus Housing Office provides all new and returning students with a notification that lists the University residential facilities and the building's level of fire suppression. Residents are required to acknowledge receipt of this notice for their housing assignment and to return it to the Housing Office before they can move into the facility. A link to the notice can be found at [http://www.uky.edu/Housing/fire\\_suppression\\_form.pdf](http://www.uky.edu/Housing/fire_suppression_form.pdf).

### **Accessible Housing and Safety**

Assignment of Accessible Housing: Residence hall rooms and University apartments are available for students who need accessible or unique accommodations due to disability or chronic health problems. Since there is a demand for housing, students should apply for housing in a timely manner. Additionally, students should request the accommodation at the time of application and provide disability documentation to the Disability Resource Center, (859) 257-2754. The Disability Resource Center evaluates the information and determines the appropriate housing assignments in consultation with the Housing Office. Students who do not believe the housing assignment reasonably accommodates their disability or endangers their health or safety, may submit a written appeal to the Residence Hall Administration Board. The Board is an independent body and will make a determination as to the validity of the appeal.

#### Safety procedures for those requiring assistance:

1. Housing Evacuation List – For students in University housing, safety is a primary concern and requires the cooperative effort of those who live in and work in the halls plus security and fire protection personnel. The University provides numerous measures to increase the safety of all students living on campus. For students who may need assistance with evacuation during an emergency, the University compiles a housing evacuation list for the police and fire safety officials to be used for priority evacuation and safety verification. Students should contact the Disability Resource Center, (859) 257-2754, to be placed on either of these lists.
2. Emergency Assistance Card Program – The University has developed an Emergency Assistance Card program that is available upon request. This card can be carried by individuals with disabilities and presented to a co-worker, friend, or faculty member, who in turn will give it to the emergency team on site. The card identifies the individual who needs assistance during an emergency (i.e. assistance with evacuation) as well as his/her current location and the reason that assistance is required. For more information about the card or to receive a card, contact the Office of Institutional Equity and Equal Opportunity (859) 257-8927, Office of Emergency Management (859) 257-3815 or the Disability Resource Center, (859) 257-2754. More details are also available at <http://www.uky.edu/EM/assistance.htm>.
