

CHAPS Agreement Form

I would like to participate in the University of Kentucky Statewide Record Keeping Project. In exchange for receiving the CHAPS 2000 computer program for \$25.00, I agree to submit, on disk, the data recorded on my herd each year to my county Agriculture and Natural Resource Extension Agent or the University of Kentucky Records Coordinator. This information will be included in the state, and possibly county database. All my records will be kept confidential.
