September 2009

Welcome!

It is a pleasure to welcome you and provide you with this copy of University of Kentucky's 2009 New Faculty Directory. This directory has been developed to introduce you to other faculty who have recently joined the University of Kentucky.

This directory includes faculty who were designated by their colleges as 'new' to UK within a broad definition. Its purpose is to allow the cohort to keep in touch with each other and pursue common interests.

I wish you the very best as you pursue your UK career. Please consider our office an important part of your support network.

Sincerely,

Heidi Milia Anderson, Ph.D.
