The reviewer was Dr. Paul Osborne, Assistant Professor in the College of Dentistry.

ACTION: It was moved (Osborne), duly seconded (Burkhart), and unanimously carried, that the proposals to change PHR 914, Basic Principles of Pharmaceutical Science: Drug Design; PHR 924, Basic Principles of Pharmaceutical Science: Drug Form Design; PHR 944, Basic Principles of Pharmaceutical Science: New/Novel Dosage Forms (3), and to drop PHR 998, Pharmacy Practice Clerkship: Mentoring, be approved as submitted and forwarded to the Senate Council for approval.

*Indicates member provided coverage at meeting by having their alternate member attend.

Submitted by the College of Medicine

Dr. Timothy McClintock, Associate Professor in the College of Medicine, gave the Council background and an overview of the proposal to add PGY 611, Advanced Medical Physiology.

The reviewer was Dr. Jimmi Hatton, Associate Professor in the College of Pharmacy.

ACTION: It was moved (Hatton), duly seconded (Dwoskin), and unanimously carried, that the proposal to add PGY 611, Advanced Medical Physiology, be approved as submitted and forwarded to the Graduate Council for approval.

NOTE: There was a question raised regarding class work being held for this course during the University's "dead week" for students. Since the reference to "dead week" appears in the University Senate Rules, Cathy will check this out with the University Ombud, Susan Scollay, before forwarding the proposal.

Adjournment

There being no further items for discussion, the meeting was adjourned at 4:25 p.m.

Respectfully submitted:

Cathy Owen
