

## MEMORANDUM

TO: Health Care Colleges Council

RE: Request for changes to the curriculum and courses in the Rehabilitation Sciences Ph.D. program

DATE: June 4, 2008

I am attaching the proposal for changes to the Rehabilitation Sciences (RHB) Ph.D. Program and to several RHB courses for consideration by the Health Care Colleges Council. The RHB Program is located in the Department of Rehabilitation Sciences, College of Health Sciences. These changes were recommended for approval by the Department Chair, Judith L. Page, and CHS Academic Affairs Committee. I support the proposals.

The accompanying document entitled "A Memo of Curriculum Changes 2008" provides the rationale for and details about the proposed changes. The remaining files include the program and course request forms and needed syllabi.

Please contact Carl Mattacola (323-1100, ext 80860) or Sharon Stewart (323-1100, ext 80570) regarding any concerns or questions.
