Total Credit hours: 7

Proposed

- 2). Add new course, NUR 875 named Nur Care of Childbearing Families:
4 credits (2 didactic and 2 clinical)

7. Minor Requirements (if applicable)

Current

Proposed

8. Rationale for Change(s): (If rationale involves accreditation requirements, please include specific references to those requirements.)

The current course NUR 873 (7 credits) does not provide sufficient time to cover the significant content areas in the Nursing Care of Childbearing Families (Obstetrics) and Childrearing Families (Pediatrics). Students consistently report in course evaluations, confusion in the two content areas when OB and Peds share lecture days. With the doubling of the nursing enrollment from 40 to 80 students each semester, it is increasingly more difficult to schedule OB and Peds clinical experiences when part of the same course.
