Discussion. You will have space for 100 words.

Honors. List awards, scholarships, or special recognitions you have achieved from your junior year of high school to the present (e.g., tuition scholarships, dean's list). You will have space for 100 words.

Other interests. Briefly describe any particularly meaningful skills, talents, or activities not already listed above (e.g., musical ability, significant hobbies, other athletic activities). You will have space for 150 words.

Educational and Career Goals. What are your career and life goals? Explain how the educational plans you have made or are considering will help you achieve those goals. You will have space for 150 words.

Other Information. What else should we know about you? Use this space to include other information that you feel is important to convey to the selection committee. You will have space for 150 words.

Essays. Respond to the following questions by writing three essays of no more than 300 words each.

1. Describe an educational experience in which you felt most intellectually stimulated. What did you learn, and what impact did the experience have on you?

2. What current social, economic, political, or environmental issue is of greatest concern to you? What would you do to affect change in this area?

3. How do you see yourself becoming a global citizen?
