A pre-bid conference and tour of the project area will be held approximately ten (10) days prior to receipt of bids. (Actual date of Pre-Bid Conference will be stated in the Invitation to Bid.) All contractors wishing to bid on this project should have a representative attend this conference. Items discussed at the Pre-Bid Conference will become part of the contract, and any contractor who doesn't attend the Pre-Bid Conference will still be held responsible for all items discussed.

i) Blanks. All blanks on the Form of Proposal shall be completed and all required support data shall be furnished.

ii) Sums. Where so indicated by the makeup of the Form of Proposal, sums shall be expressed in both words and figures, and in case of discrepancy between the two, the amount indicated by words shall govern.

B. Bid Security. Where specified in the Advertisement or Invitation to Bid, the Bidder shall furnish a Bid guarantee in the required form of not less than five percent (5%) of the Bid amount. This Bid security secures the Bidder's promise (i) to enter into a contract on the terms stated in the Bid proposal, and (ii) if required, to furnish bonds covering the faithful performance of the contract and payment of all obligations thereunder. Should the Bidder refuse to enter into a contract or fail to furnish the required performance and payment bonds, the amount of the Bid security shall be forfeited to the Owner as liquidated damages, not as a penalty.

The envelope shall be addressed to the party receiving the Bids and shall be identified with the Bidder's name and address, the sealed Bid invitation number, closing date and hour. If the Bid is sent by mail, the sealed envelope shall be enclosed in a separate mailing envelope with the notation "BID ENCLOSED" on the face thereof.

ARTICLE 5 - BIDDING PROCEDURES (Continued)

C. Timeliness of Bids. Bids shall be delivered to Room 322, Peterson Service Building, prior to the official time and date for receipt of Bids indicated in the advertisement of Invitation to Bid, or any extension thereof made by Addendum. The "official time" refers to the time as indicated by the time date clock located in the reception area of Room 322.

D. Late Bids. Bids received after the official closing time and date for receipt of Bids may be considered for evaluation and award only if: (i) no other Bids were received within the legal advertisement period; and (ii) the readvertisement time delay would seriously affect the operations of the Owner; and (iii) in the judgment of the Purchasing Official, the Bid was finalized prior to the official closing time and date for receipt of bids.

The Bidder shall assume full responsibility for timely delivery at the location designated for receipt of bids.

E. Bids Not In Writing. Oral, telephonic, or telegraphic Bids or changes in Bids by such methods are not permitted and will not receive consideration.

F. Bids Withdrawn. Bids may be withdrawn prior to the closing time and date for receipt of Bids by: (1) a properly identified representative of the Bidder whose name appears on the Bid envelope, or (2) by written request by an authorized representative of the Bidder, received by the Capital Construction Procurement Section prior to the Bid closing date and time. Withdrawn Bids may be resubmitted up to the closing time designated for the receipt of Bids.

G. Bids Remain Open. During the stipulated time period following the time and date designated for the receipt of Bids a Bid shall remain open for the Owner's acceptance. During this period the Bid may not be modified, withdrawn or canceled by the Bidder, without the Bid security being subject to forfeiture and the suspension of the Bidder's future bidding privileges.

ARTICLE 6 - CONSIDERATION OF BIDS

A. Bid Opening. Unless stated otherwise in the Advertisement or Invitation to Bid, all properly identified timely Bids will be publicly opened, reviewed (for conformance with Bid submittal requirements) and if properly executed and complete, read aloud. All Bids opened and read will be listed on the official Bid tabulation which will be made available to all Bidders upon request.

B. Waiver of Irregularities/Rejection of Bids. The right to cancel the Invitation to Bid, to reject any and all Bids, and to waive technicalities and minor irregularities in Bids is maintained and preserved in all Invitations for Bids issued by University of Kentucky, Capital Construction Procurement Section when such action is determined to be in the best interest of the University of Kentucky.

ARTICLE 6 - CONSIDERATION OF BIDS (Continued)

C. Grounds for Rejection. Grounds for the rejection of Bids include, but shall not be limited to:

- i) Failure of a Bid to conform to the essential requirements of the Advertisement for Bids or Invitation for Bid.
- ii) Any bid which does not conform to the specifications contained or referenced in any Invitation for Bids shall be rejected unless the invitation authorized the submission of alternate Bids and the items offered as alternates meet the requirements specified in the invitation;
- iii) Any Bid which fails to conform to the delivery or completion schedule established in the Bidding Documents;
- iv) A Bid imposing conditions or qualifications which would modify the terms and conditions of the Invitation for Bids, or limit the Bidder's liability to the Owner in a manner inconsistent with the provisions of the Bidding Documents;
- v) Any Bid determined by the Purchasing in excess of funds available.
- vi) Failure to furnish a Bid security in accordance with the requirements of the Advertisement for Bids or Invitation to Bid.
- vii) For other cause as documented by the Purchasing Official pursuant to a written determination and finding.
- viii) Bids received from Bidders determined by the Purchasing Official to be non-responsive bidders.

D. Minor Irregularities. Minor irregularities or technicalities in a Bid may be waived by the Purchasing Official on behalf of the Owner when all of the following circumstances are present:

- i) The Purchasing Official determines that it will be in the Owner's best interest to do so; and the technicalities or irregularities are mere matters of form not affecting the material substance of a Bid;
- ii) represent an immaterial deviation from, or variation in the precise requirements of the advertisement for, Bids or Invitation to Bid, and have no effect on price, quality, quantity or delivery of supplies or performance of services being procured; and, the correction or waiver of the technicality or irregularity will not affect the relative standing of, or prejudice, other Bidders. If the Owner does not waive technical deficiencies and irregularities, the deficient Bid shall be rejected.

E. Competitive Negotiation. The University reserves the right to exercise the provisions of KRS 45A.090 regarding competitive negotiation when it is considered to be in the best interest of the University.

It is the intent of the Purchasing Official to award a contract in due course and after a reasonable Bid evaluation period to the Responsive and Responsible Bidder offering the best value to the University, provided the acceptable Bid sum is within budgeted funds.

ARTICLE 6 - CONSIDERATION OF BIDS (Continued)

F. Rejection of Alternate Bids. The Owner reserves the right to accept or reject any or all alternate Bids if provided for in the Bid Documents. If alternates designated by the Owner are considered in the award, the alternate(s) will be accepted in the sequence in which they are listed on the Bid proposal form and the lowest Bid sum will be computed on the basis of the sum of the base Bid plus and/or minus any alternates accepted.

ARTICLE 7 - QUALIFICATION OF BIDDING CONTRACTOR

A. Bidder Responsibility. All bidders may be required to supply the information requested on the Contractor/Bidder Determination Of Responsibility Questionnaire. The apparent low Bidder will be supplied this document at the post Bid review of the Bid submittal document. The information required by this document must be completed by the Bidder and returned to the University Purchasing Official within a reasonable time as determined by the University. In most cases the information should be completed and returned in no more than five (5) working days after the Bid submittal. The information provided will be used to determine whether the Bidder is "responsible" as defined by KRS 45A.070(6), and verify that the Bidder has the experience, qualifications and resources required to provide the quality workmanship, materials and services necessary to complete the project being Bid. In addition to the information required by the Questionnaire, the Bidder agrees to provide any additional information that may be necessary for determination of contractor responsibility, as defined by the Kentucky Model Procurement Code. The determination of contractor responsibility will not be made until the Bidder has provided a sworn statement made under penalty of perjury that he has not knowingly violated any provision of the campaign laws of the Commonwealth and that the award of a contract to a Bidder or offeror will not violate any provision of the campaign finance laws of the Commonwealth. The sworn statement required is included in the Questionnaire to be completed by the apparent low Bidder.

B. Inquiries. The Purchasing Official shall have the right to make any inquiry deemed necessary to determine the ability of the Bidder to perform the work in a prompt and efficient manner and in accordance with the contract Documents. The failure of a Bidder to promptly supply information in connection with the Purchasing Official's inquiry may be grounds for a determination that such Bidder is nonresponsive.

C. Rejection. The right is reserved to reject any Bid where an investigation and evaluation of the Bidder's qualifications would give reasonable doubt that the Bidder could perform prompt and efficient completion of the work in accordance with the requirements with the Contract Documents.

ARTICLE 8 - SUBCONTRACTOR AND MATERIAL LISTING

A. List of Subcontractors. The Bidder will list the names of subcontractors proposed for each of the principal portions of the work (including those persons or entities who are to furnish material or equipment fabricated to a special design) in the designated place on the Form Of Proposal. The Bidder will be responsible for establishing to the satisfaction of the Purchasing Official, the reliability and responsibility of the listed subcontractors. The Bidder may be required by the Purchasing Official to provide additional information regarding listed subcontractors.

ARTICLE 8 - SUBCONTRACTOR AND MATERIAL LISTING (Continued)

B. Objection and Required Substitution. If, after due investigation, there is reasonable objection to the qualifications of a listed subcontractor the Bidder shall, upon written direction from the Purchasing Official, submit the name of an acceptable substitute subcontractor with no change in Bid price. The failure of the Bidder to promptly comply with this requirement may be grounds for rejection of the bid.

C. No Objection Prior to Notice of Award. Any listed subcontractor to whom the Purchasing Official does not make written objection prior to the giving of the Notice of Award shall be deemed acceptable to the Owner.

D. Bidder Self Performed Work. The Bidder shall not list himself as a subcontractor on the Form of Proposal Subcontractors List unless it can be demonstrated that Bidder actively participates in the trades required and has the expertise to complete that portion of the work.

E. Substitutions Not Optional. The Bidder shall not substitute a subcontractor named on the Form of Proposal without prior notification and approval of the Purchasing Official. Any notification for a substitution of a listed subcontractor shall be in writing and the reason fully set forth therein. The reason shall demonstrate real cause and evidence good faith by the Bidder. This shall not be construed to waive the Bidder's rights to later substitute a subcontractor for the failure of that proposed subcontractor to accept a contract from the Bidder, failure to perform in a satisfactory manner per the requirements of the contract or any other legal rights of the Bidder to manage and coordinate subcontractors.

F. Bid Documents Not a Contract. Nothing contained in the Bidding Documents shall be deemed to create a contractual relationship between the Owner and any subcontractor. However, it is the Bidder's responsibility to assure that the subcontractor listed has the required expertise and financial stability to complete that portion of the work.

G. List of Materials and Equipment. The Bidder shall submit a list of major materials and equipment by the manufacturer's name, brand and/or catalog number in the form and manner specified in the Bidding Documents.

H. Preliminary Acceptance of Materials and Equipment. Prior to the acceptance of a Bid, the Purchasing Official will make a preliminary review of the list of materials and equipment included with the Bid Proposal and advise the Bidder of the acceptance thereof, subject to satisfactory completion and approval of shop drawings, or direct other such action as may be necessary in order to meet the requirements of the Contract Documents. If any of the material or equipment named in the list are determined not to meet the requirements and standards of the specifications, the Bidder shall be required to furnish other material or equipment meeting the specifications at no change in Bid price. Preliminary review and acceptance of the submitted material and equipment list shall not relieve the Bidder from furnishing equipment and materials in complete accordance with the specifications, drawings, and Contract Documents.

ARTICLE 9 - UNIT PRICES

The Bidder shall submit with the Bid a list of Unit Prices as designated on Form of Proposal. Unit Prices are for the pricing of changes in the quantity from that indicated by the Contract drawings and specifications, where such changes have been authorized in writing by Owner. The Unit Prices submitted shall include all necessary labor, materials, equipment, appliances, supplies, overhead and profit. Only a single Unit Price shall be quoted for each designated item of work. The Unit Price shall be used to calculate price adjustments for either increasing or decreasing the amount of Work. Unit Prices shall apply to all phases of the Work whether the Work be performed by the Bidder or by the Bidder's (contractor) Subcontractor. The Owner reserves the right, prior to an award of Contract, to evaluate the Unit Prices submitted and adjust and/or reject any Unit Price that is determined by the Purchasing Official to be unreasonable in amount.

ARTICLE 10 - PERFORMANCE BOND, LABOR & MATERIAL PAYMENT BOND

The successful Contractor shall furnish security bonds (form to be furnished) in an amount equal to one hundred percent (100%) of the Contract Price as security for the performance of the Contract established and for payment of all persons performing labor, including payment of all unemployment contributions which become due and payable under Kentucky Unemployment Insurance Law, and furnishing materials, equipment, supplies, taxes, and other proper charges and expenses incurred or to be incurred in the performance of the contract. All bonds shall be executed by a surety company authorized to do business in the Commonwealth of Kentucky and the contract instrument must be countersigned by a duly licensed Kentucky resident agency representing the company. The bonds shall be valid after the final payment has been made on the Contract during the guaranty period and other periods limited only by statutes of limitation. If the furnishing of performance and payment bonds is required by the Bidding Documents, the bond premiums shall be paid by the Bidder. If the furnishing of bonds is not required by the Bid Documents, but required by the Purchasing Officer subsequent to the award of Contract, the successful Bidder shall procure the bonds and the Owner will reimburse the Bidder for the premium cost. The Owner reserves the right to require all bonds be provided by a surety company with a rating of "A" or better as listed in the A. M. Best-Key Rating Guide for Property and Casualty (current edition).

The Bidder shall execute the required performance and payment bonds for the Owner on the date of execution of the Contract Documents between the Owner and the Contractor, or, with the approval of the Purchasing Official, within ten (10) calendar days after that date. Unless otherwise specified in the Bidding Documents, the bonds shall be written on the bond form bound in the bidding documents and in the number of counterparts specified by the Purchasing Official.

Bonds shall be issued by a surety company authorized to underwrite bonds in the Commonwealth of Kentucky and be countersigned by licensed resident agent. The Bidder shall require the Attorney-in-Fact who executes the required bonds on behalf of the surety to affix thereto a certified and current copy of their Power of Attorney. The date of the Power of Attorney shall not precede the date of the bonds.

ARTICLE 11 - AWARD OF CONTRACT

The issuance of an award of the Contract is contingent upon (i) securing an acceptable Bid that is responsive and from a responsible Bidder and is within the amount of budgeted funds and (ii) determining that the award of Contract will be in the best interest of the University of Kentucky.

ARTICLE 11 - AWARD OF CONTRACT (Continued)

Unless otherwise provided in the Bidding Documents, the Form of Agreement between the Owner and the Contractor will be written on the standard form of agreement bound with the Bidding Documents and executed in the number of counterparts specified by the Purchasing Officer.

The Contract between the University of Kentucky and the Contractor will be final and binding when the parties have executed the Agreement between the Owner and Contractor.

Final award of Contract will be made on the basis of the lowest, responsive and responsible bid which offers the best value.

The University reserves the right to negotiate and award Contracts as allowed under KRS 45A.090 should all responsive Bids exceed available funds.

ARTICLE 12 - PUBLIC WORKS ACT

A. Wage and Hour Acts. In performing the work, the Contractor and Subcontractors are required to comply with the wage and hour requirements prescribed by KRS 337.505- 337.550, except where the contract meets exemption requirements as set forth under KRS 337.010.

B. Payment. On projects not exempted under KRS 337.010, the Contractor and Subcontractor shall pay all laborers, workmen and mechanics performing work under this contract not less than the wages set fourth in the prevailing wage schedule, incorporated as part of the Bid and Contract Documents, as determined by the Kentucky Department of Labor in accordance with provisions of KRS 337.505 through KRS 337.550. On covered contracts, the Contractor and subcontractor shall pay all workers employed on the site not less than the minimum hourly rates set fourth in the Department of Labor Wage Determination, Incorporated in the Bidding Documents. The designated wage rates represent minimum allowable rates of pay and shall not be construed to mean that higher rates may not have to be paid in order to secure labor. Thus, differences between designated wage rates and actual wage rates shall not be an appropriate basis for adjustment of the contract sum.

C. Prevailing Wage Rates. The prevailing wage rates, set forth in the wage determination, are determined by the Kentucky Department of Labor in accordance with provisions contained in KRS 337.505 through KRS 337.550. Any Contractor or Subcontractor found to be in violation of any provisions of KRS 337.505 to 337.550 by the Commissioner of the Department of Labor and upon notification to the Senior Vice President for Administration and the Secretary of the Finance and Administration Cabinet, the Secretary of the Finance and Administration Cabinet shall declare the offending Contractor ineligible to bid on public works until such time the Contractor is in substantial compliance as determined by the Commissioner of Labor.

ARTICLE 13 - BASIC LEGAL REQUIREMENTS

A. Forms Required. An Authentication of Bid, Statement of Noncollusion and Nonconflict of Interest documents are bound with and included as part of the Form of Proposal. The Bidder is required to sign that document and submit it as part of the Bid. Failure to comply with these requirements shall invalidate the Bid.

ARTICLE 13 - BASIC LEGAL REQUIREMENTS (Continued)

B. Foreign Corporations. Foreign Corporations are defined as corporations that are organized under the laws other than the laws of the Commonwealth of Kentucky. Foreign Corporations doing business within the Commonwealth of Kentucky are required to be registered with the Secretary of State, New Capitol Building, Frankfort, Kentucky and must be in good standing.

The Foreign Corporate Bidder, if not registered with the Secretary of State at the time of the Bid submittal, shall be required to become registered and be declared in good standing prior to the issuance or receipt of a contract.

C. Domestic Corporations. Domestic corporations are required to be in good standing with the requirements and provisions of the Office of the Secretary of State.

ARTICLE 14 - TAXES

A. Not Tax-Exempt. Bidders are informed that construction contracts for the University of Kentucky are not exempt from the provisions of the Kentucky Sales and/or Use Tax. The Bidder shall include in the lump sum bid and the Contractor shall pay sales, consumer, use and similar taxes for materials, equipment and supplies incorporated into the Work unless otherwise specified in the Bid Documents.

The University of Kentucky, through the Commonwealth of Kentucky, is entitled to exemption from Federal Excise Tax. All Prime Bidders or Subbidders shall take this into consideration in their Bid.

B. Liability for Employee-Related Taxes. The Bidder and Subcontractors will be required to accept liability for payment of all payroll taxes or deductions required by local, state and federal law, including but not limited to old age pension, social security or annuities. Worker's Compensation Insurance shall be carried to the full amount as required by Kentucky Statutes. The Bidder shall be in full compliance with KRS Chapters 341 and 342.

ARTICLE 15 - PLANHOLDERS

A. Intent to Submit a Bid. A request for Bid Proposal and Bid Documents will be considered as intent to submit a Bid. The Bidder's name will appear on the planholder's list showing all planholders and will be forwarded all Addenda issued. In the event the planholder elects not to submit a Bid, it is requested that notification of such fact be furnished to the University of Kentucky, Capital Project Management, Capital Construction Section, on or before five (5) days prior to the closing date for receipt of Bids.

B. Planholder and Addenda Listing. The published planholder and Addenda listing is for general information purposes and the exclusion or inclusion of any firm in no way constitutes and/or implies approval or disapproval of the qualifications of any Bidder, Subcontractor, material or equipment supplier. If the Bidder or planholder notes nonreceipt of any of the listed Addenda, it shall be their responsibility to obtain missing copies from the Capital Project Management, Capital Construction Section or review same at any of the designated reporting agencies offering the Bid Documents for review.

ARTICLE 16 - POST BID REVIEW AND MATERIAL SUBMITTAL

The Bidder should have a responsible authorized representative at the bid opening. The Bidder's representative shall have the authority and be qualified to respond to questions that may arise about the Bidder's Bid submittal. The representative of the apparent low Bidder may be required to participate in the post Bid review of the apparent low Bid proposal, and if required by the Bid proposal, the completion and submittal of the material and equipment listing. The post Bid review will include representatives of the Consultant, representative of the apparent low Bidder and required University personnel. Preliminary review will be directed toward Subcontractor, material listing, Unit Prices, and qualifications of the Bidder. Failure to have a representative at the Bid opening may be cause for rejection of Bid.

ARTICLE 17 - EQUAL EMPLOYMENT, NONDISCRIMINATION, MINORITY AND WOMEN OWNED BUSINESS PARTICIPATION

A. Discrimination Prohibited. The University of Kentucky is committed to a policy of providing equal job opportunities on public contracts and prohibiting discrimination based on race, creed, color, sex, age, religion, national origin or disability in employment.

B. Use of Minority and Women Owned Business Enterprises. The utilization of minority and women owned business enterprises is encouraged in all construction and renovation projects at the University of Kentucky. All Contractors should make full efforts to locate and use minority and women owned business enterprises in the bidding of this project. For assistance in identifying minority and women vendors and subcontractors, the contractors may contact the Kentucky Office of Minority Business Enterprises, 2329 Capitol Plaza Tower, Frankfort, Kentucky 40601, Telephone No. (502)564-2064, The Office of Equal Opportunity, Contract Compliance, New Capital Annex Building, Frankfort, Ky. 40601, Louisville Minority Business Development Center, 835 W. C. Equal Employment Opportunity. Bidders and subcontractors are required to comply with Federal Executive Order 11246 entitled "Equal Employment Opportunity" as amended.

The provisions of KRS 45.560 through 45.640, known as the Kentucky Equal Employment Act of 1978, hereinafter referred to as the Act, shall be binding upon the declared successful Bidder and any subsequent contract awarded to the Bidder, except that a Contractor or subcontractor otherwise subject to the provisions of KRS 45.570 is exempt as to any affirmative action or reporting requirements if:

- i) The contract or subcontract awarded is in the amount of \$250,000.00 or less, and the amount of the contract is not a subterfuge to avoid compliance with the provisions of this Act.
- ii) The contractor or subcontractor utilizes the services of fewer than eight (8) employees during the course of the contract.
- iii) The contractor or subcontractor employs only family members or relatives.
- iv) The contractor or subcontractor employs only persons having a direct ownership interest in the business, and such interest is not a subterfuge to avoid compliance with the provisions of this Act.

ARTICLE 17 - EQUAL EMPLOYMENT, NONDISCRIMINATION, MINORITY AND WOMEN OWNED BUSINESS PARTICIPATION (Continued)

All compliance reporting shall be directed to the University of Kentucky, Compliance Officer. It shall be the responsibility of the Contractor or subcontractor to comply with the provisions of KRS 45.560 through 45.640 unless exempted through the compliance officer.

- i) A statement of intent to comply in full with all requirements of the Kentucky Equal Employment Act of 1978.
- ii) A breakdown of the Bidder's existing work force, within the Commonwealth of Kentucky, indicating the race, sex, age, position held, county and state of residence and date of employment of each employee.

The above reporting shall be on forms provided by the University of Kentucky Compliance Officer, and submitted in the manner prescribed on the forms.

E. Equal Opportunity Compliance. Within ten (10) days after the receipt of this report, the University Official, through its office of Equal Employment Opportunity, Contract Compliance, will determine whether the Bidder's work force is reflective of the percentage of available minorities in the areas from which the Bidder's employees are drawn. If a determination is made that the Bidder's work force is reflective of the percentage of available minorities in this drawn area, the Bidder shall be "certified" and be thereby qualified for the contract and to Bid on any contract covered by this Act without filing additional data for a period of six (6) months.

If it is determined by the Official that the Bidder's work force reflects an under utilization of minorities, the Bidder shall be so notified and no certification be granted. The Bidder shall then have the option of filing with the University of Kentucky an affirmative action plan, indicating goals and timetables for recruiting and hiring minorities throughout the contractor's work force. The Official shall be available, upon request of any contractor, to furnish technical assistance in fulfilling the requirements of the Act.

If the Bidder is subsequently awarded the Contract being sought, failure to comply with the goals and timetables set forth in the affirmative action plan shall be an unlawful practice under the Act and shall constitute a material breach of contract.

If the Official determines that the submitted affirmative action program does not fulfill the provisions of the Act, the Bidder shall be so notified and no certification shall be granted.

If the Bidder's work force is not reflective of the percentage of minorities in the drawing area and he has complied with all other affirmative action requirements in the Act, he may certify by verified affidavit that he has made every reasonable effort to comply with said percentage requirements and he shall thereafter be entitled to all benefits of the Act.

Failure to comply with the requirements of the Act after contract award, may result in payments being withheld pending satisfactory fulfillment of contractual obligations.

ARTICLE 18 - ANTI-KICK BACK

All Bidders shall comply with the Copeland "Anti-Kick Back" Act (18 USC 874) as supplemented in the Department of Labor Regulations (29 CFR, Part 3). This Act provides that each Bidder, subcontractor or subgrantee is prohibited from inducing, by any means, any person employed in the construction, completion or repair of public work to give up any part of the compensation to which he is otherwise entitled.

ARTICLE 19 - COMPLIANCE WITH KENTUCKY'S COMPENSATION AND UNEMPLOYMENT INSURANCE LAWS KRS 45A.480

The successful contractor will be required to assure, by affidavit, that all contractors and subcontractors employed, or will be employed, under the provisions of the contract shall be in compliance with Kentucky requirements for Worker's Compensation Insurance according to KRS Chapter 342 and Unemployment Insurance according to KRS Chapter 341.
