Bid Package # 8 Addendum 3
Allowances

Mr. Mudd,

Please include this memo as Addendum #3 to Bid Package 8 to the Spline Utility Project # 2425.4.

As it pertains to note #12 on Sheet E700.8 bidders should assume that new medium voltage cables are required and should carry new cables in their bid. This will apply similarly to feeders associated with the upgraded transformers. Subcontractors are not being asked to carry allowances for this bid package.

Any further questions should be directed to myself at 502.667.2291 or forrest.holdsworth@whiting-turner.com
