

2012 Spring Semester Advising Conference Freshman, Transfer and Readmitted Students November 18, 2011

Check-In

We are looking forward to seeing you on campus for your Advising Conference on **Friday, November 18, 2011**. Conference check-in will begin at **12:00 P.M.** outside the Worsham Theatre in the Student Center. A required Advising Conference fee of \$25 will be added to your tuition statement.

During the conference, you will meet with an academic advisor to plan your schedule and register for classes.

If you are unable to attend registration at this time, please use the myUK system to sign up for the January 9, 2012 Advising Conference (Freshman and Transfer) or the January 10, 2012 Advising Conference (Readmitted). **Class selection will be limited in January — you are encouraged to attend the November Conference.**

Academic advising is essential to good academic planning and success. All students meet with advisors prior to registration. An advisor signature on your registration worksheet is mandatory. If you meet with an advisor before the Advising Conference, be sure to bring the signed worksheet to this program. No students will be allowed to register without first meeting with an advisor.

Agenda

- 12:00 P.M. Check-In Begins
- 1:00 P.M. Academic Advising and Course Registration

Math Placement Exam

Students planning to take a college-level math course for the first time must complete a UK Math Placement Exam. Students who have completed a 100-level math course at UK or another institution are NOT required to take a UK Math Placement Exam.

If you have not completed a 100-level math course, you must complete the exam prior to arriving for your conference.

Follow these instructions to access the placement exam:

1. Go to elearning.uky.edu
2. Log in using your LinkBlue user ID and password (listed in your admission letter)
3. Click on the placement test link to begin your test

You can find more information at www.uky.edu/AE/prospective/placement_math.html. If you have questions about the math placement exam, please contact Dr. David Royster at the UK Mathematics Department at david.royster@uky.edu or (859) 257-1258.

For technical issues encountered during the math placement exam please contact the UKIT HelpDesk at (859) 218-HELP (4357).

Parking

You may park free in Parking Structure #5. See map for parking locations and instructions. Parking vouchers available at check-in.

Attention Transfer Students

Evaluated transcripts will be available at the Advising Conference. Please bring a copy of the college catalog from your previous institution(s) to use for any incomplete credit evaluation. Your credit evaluation may be delayed if you do not bring the appropriate catalog(s).

Attention Winter Term Students

If you are admitted to the Winter Term (starting December 19), in addition to registering for the 2011-2012 Winter Term, you will also be able to register for the Spring 2012 Semester on November 18.
