Carol Martin Gatton
College of Business and Economics

Students in the marketing program earn the Bachelor of Business Administration degree. In addition to fulfilling University Studies requirements, students complete the College requirements, premajor and major requirements, and College core requirements listed below.

Admission Policy

Admission to the University is sufficient for admission to the Carol Martin Gatton College of Business and Economics for students with less than a junior standing. However, lower division admission to the college or any admission to the University does not guarantee upper division admission to one of the degree programs in the Gatton College of Business and Economics. In general, admission depends upon the qualifications and preparation of the applicants, as well as the availability of resources for maintaining quality instruction.

Upper division admission into a degree program is necessary in order to be granted a baccalaureate degree from the Gatton College of Business and Economics.

The upper division admission requirements for the 2004-2005 academic year are a minimum 3.0 cumulative GPA or the minimum current Annual Admission GPA, whichever is lower; and a minimum 3.0 English/premajor GPA or the minimum current Annual Admission GPA, whichever is lower.
