

Nursing (Second Degree B.S.N.)

College of
Nursing

The College of Nursing is offering a new option to earn a nursing degree – the Second Degree B.S.N. (Bachelor of Science in Nursing). This option is for people who have a bachelor’s degree in a field other than nursing.

In four and one-half semesters, students will be prepared to take the licensure exam to begin a new career as a nurse. This option is **for students who can dedicate themselves full-time** to one eight-week session and two academic years of study.

Prerequisites for Second Degree B.S.N. Option

Students who have earned a degree in another field may apply to complete a B.S.N. The admission requirements/prerequisites include:

- a bachelor’s degree;
- cumulative 2.50 GPA on a 4.0 scale for all college work;
- grade of **C** or higher in ANA 209 (Principles of Human Anatomy) or equivalent;
- grade of **C** or higher in PGY 206 (Elementary Physiology) or equivalent;
- grade of **C** or higher in CHE 106 (Introduction to Inorganic, Organic, and Biochemistry) or equivalent;
- grade of **C** or higher in PSY 100 (Introduction to Psychology) or equivalent;
- a personal reference; and
- a written statement.

It is strongly recommended that students complete the following courses with a grade of **C** or higher before beginning the Second Degree B.S.N. Program (they are required for graduation):

- BIO 208 (Principles of Microbiology) or equivalent; and
- STA 200 (Statistics: A Force in Human Judgment) or equivalent.

By the time of enrollment in the first course, students must have also completed a CNA course and all immunizations as listed above under “Admissions Requirements.”
