

Career and Technical Education

College of Agriculture
and School of Human
Environmental Sciences

NOTE: At the time of publication, the B.S. in Career and Technical Education was pending final approval by the Kentucky Council on Postsecondary Education. Consult your advisor for more information.

The Career and Technical Education degree involves Agricultural Education and Family and Consumer Sciences Education. Students take courses in technical, education, and professional content.

Graduates of this degree pursue careers in both formal and informal education of agriculture or family and consumer sciences. Formal education opportunities include teaching in the middle school or high school classroom. Informal education opportunities include working in Extension and the public or private sectors of industry.

Students choose one of two options – Option A: Agricultural Education; or Option B: Family and Consumer Sciences Education. In addition to a receiving the degree, graduates also attain Rank III teaching certification in Agricultural Education (Option A) and a Rank III teaching certification in Family and Consumer Sciences Education (Option B).

Graduation Requirements

To earn the Bachelor of Science in Career and Technical Education, the student must have a minimum of 120 credit hours with at least a 2.0 grade-point average. A minimum of 45 credit hours must be from upper division courses (300 level and above). Remedial courses may not be counted toward the total hours required for the degree.

Plan of Study

As a career and technical education major you are required to develop an acceptable **Plan of Study** during your sophomore year for your junior and senior years. The plan must be signed by your advisor and returned to the Office of the Associate Dean for Academic Programs.

If you are an upper division transfer student (from another university or from another UK college or department) then you will submit your plan during the first semester you are enrolled in the program.

Students must complete the following:

College Required Hours

Agricultural Education option students complete the following:	
GEN 100 Issues in Agriculture	3
Family and Consumer Sciences Education option students complete the following:	
HES 100 An Introduction to Professions in Human Environmental Sciences	1
HES 400 Concepts in Human Environmental Sciences: Integration and Application	2
Subtotal: College Required Hours	3

University Studies Requirements

See “University Studies Program” on pages 75-79 of the 2006-2007 *UK Bulletin* for the complete University Studies requirements.

Students should work closely with their advisor to complete the University Studies Program requirements.

Major Requirements

	Hours
AED/FCS 110 Introduction to Career and Technical Education	3
AED/FCS 362 Field Experiences in Career and Technical Education	3
AED/FCS 371 Advising a Career and Technical Student Organization	3
AED/FCS 435 Designing Curriculum and Assessment in Career and Technical Education	3
AED/FCS 580 Foundations of Teaching Career and Technical Education	3
AED/FCS 586 Methods of Teaching Career and Technical Education	3
AED/FCS 590 Teaching Experience in Career and Technical Education	12
EDP 203 Teaching Exceptional Learners in Classrooms	3
FAM 357 Contemporary Adolescence	3

Oral Communication for Family and Consumer Sciences Education Option

COM 181 Basic Public Speaking	
or	
COM 252 Introduction to Interpersonal Communication	3
Subtotal: Major-Required Hours	36-39

In addition to the Major Requirements, students choose **one** of two options.

OPTIONS

Option A: Agricultural Education

Option Requirements	Hours
AEC 302 Agricultural Management Principles	4
AEN 252 Farm Shop	3
ASC 101 Domestic Animal Biology	3
ASC 102 Applications of Animal Science	3
