

History - B.A.

College of Arts and Sciences

After learning the basic themes associated with two of the broad areas of study listed under the premajor requirements, a history major at the University of Kentucky is given the opportunity to examine in some detail a wide variety of the histories of various nations, civilizations, and topics. History's emphasis on the skills of critical reading, writing, and research make it an ideal major for the would-be historian, teacher, archivist, business executive, or lawyer.

Any student earning a Bachelor of Arts (BA) degree must complete a minimum of 39 hours at the 300+ level. These hours are generally completed by the major requirements.
