

Architecture

College of
Design

The School of Architecture in the College of Design administers the program curriculum, and the University of Kentucky Board of Trustees grants degrees. The curriculum consists of 133 credits for the undergraduate degree and 57 credits for the graduate degree for a total of 190 credits in six years.

The curriculum conforms to the following outline:

	Hours
I. Undergraduate UK Core requirements	30
II. Core program requirements	76
III. Undergraduate elective courses	27
IV. Graduate core program requirements	33
V. Advanced elective courses	15
VI. Master's Project	9
TOTAL	190

The above distribution of credit assumes that the UK Core requirements in mathematics and a foreign language have already been met prior to admission to the program, an assumption supported by historical student data. It also assumes that the Humanities section is to be met by approved core program courses in the History and Theory of Architecture (ARC 212 and ARC 213).
