

HOW TO USE THIS BULLETIN

The information in this bulletin is current at the time of publication. If you are pursuing a degree, you are obligated to fulfill the requirements as they are listed in the bulletin for the semester in which you enroll in that program.

If the requirements change after you have enrolled in the program, you have the option of fulfilling either the old or new requirements. If you elect to fulfill the old requirements and find that necessary courses have been eliminated or substantially revised, you may substitute other courses with the approval of the dean of the college. If the revision is required by an external accreditation certification body, and this body submits a written statement to the University that the accreditation of a program or certification of its graduates is in jeopardy unless students fulfill the new requirements, the option of fulfilling the old requirements shall not apply.

If your study in the program or the University is interrupted for more than two semesters, your college dean will decide which program requirements must be fulfilled.

The University of Kentucky will provide each new student with one copy of the Bulletin. Reference copies are distributed to all high school counselors in the Commonwealth of Kentucky.
