

Living Accommodations

APPLYING FOR HOUSING

The University's Campus Housing Office processes housing applications, assigns residence hall rooms and undergraduate apartments, and notifies students of assignments.

It is important to note that applying for admission to the University and applying for University housing are **two separate processes**. Acceptance for one does not guarantee acceptance for the other. Also, applying for housing does not guarantee that you will be assigned housing. Usually, beginning freshmen who apply for housing **prior to April 1** can be reasonably sure that housing will be available when they enter school the following fall.

Many students are disappointed when they do not obtain a University housing assignment due to late submission of the housing application. **It is recommended that students apply for a housing assignment as soon as they are accepted to UK.**

RESIDENCE HALLS

The University of Kentucky has 18 traditional residence halls, four new residence halls designed as semi-suites, and one undergraduate apartment complex, providing single and double occupancy rooms for 6,150 students, about one-fourth of the student population.

The residential setting at UK is intended to contribute to a student's education by providing a living/learning environment. There are several living/learning communities within undergraduate housing. For more information about each living-learning community, visit the Student Affairs Web site at: www.uky.edu/StudentAffairs/ResidenceLife/LivingLearning.html.

UK's residence halls are the foundation upon which a solid college experience is built. Many current students believe that living in a residence hall is the best way to make friends, meet new people, and become involved in campus life. Studies indicate that overall, students who live on campus tend to have higher grade-point averages than students living off campus.

UK's residence halls are staffed with professionally trained personnel, including resident advisors who live on each floor. The hall director and resident advisors assist in planning a variety of programs and in developing hall governments. Residents are encouraged to participate both within the hall and in the campus community.

All on-campus undergraduate residents are represented by the Resident Student Association, a group whose goal is to improve residence hall life by planning and directing social, educational and recreational programs, and by providing a unified voice for residents. The Resident Student Association is a member of the National Association of College and University Residence Halls (NACURAH, INC.), enabling interested residents to attend regional and national leadership conferences.

Room Assignments

Room assignments are determined by the date the completed housing application, first installment, housing contract and fire suppression form are **all** received in the Campus Housing Office.

If housing demand exceeds capacity, the University **may** offer **limited, temporary** living arrangements until a permanent room assignment can be made. Each year, a number of housing recipients do not come to school, or come but do not stay, creating vacancies.

Roommates

Students may request roommates of the same gender on the housing application. Two students who wish to share a room must indicate each other as the preferred roommate, request the same residence hall, and submit applications at the same time.

RESIDENCE HALLS AND UNDERGRADUATE APARTMENTS

UK's residence halls have many attractive features. Housing rates include utilities, local telephone service, cable television, computer network connection and furniture. All residence halls are staffed by hall directors and resident advisors. Each front desk has a staff member monitoring the lobby area 24/7. Closed-circuit television systems are placed in many areas of the halls. Residence halls provide convenient access to laundry facilities, game and television rooms, vending machines, lounges, study rooms and computer labs. Dining facilities are close to all areas of campus. Smoking is not allowed in any residence hall; smoking is permitted in the Greg Page Stadium View Undergraduate Apartments. UK Housing policies and procedures apply to all residents who sign a contract and live in one of the residence halls, undergraduate apartments or Greek facilities managed by the University.

UK's campus covers many acres. Students and faculty refer to the three major areas of campus as "north neighborhood," "central neighborhood" and "south neighborhood." UK's residence halls are located in all three areas.

Students should read about each hall and learn about the facilities and the various living-learning communities available.

North Neighborhood

The north neighborhood consists of seven residence halls: Holmes, Keeneland, Patterson, Boyd, Blazer, Jewell and the New North Hall. North neighborhood includes a dining facility and a convenience store within Blazer Hall. North neighborhood halls are close to many classrooms, Memorial Coliseum, Rupp Arena, downtown and many eclectic shops and restaurants.

Central Neighborhood

Donovan Hall and Haggin Hall are single-gender halls and make up the central neighborhood. These halls are considered centrally located because they are close to many classroom buildings, as well as the William T. Young Library and UK Hospital. DINING SERVICES

The University's Dining Services are designed to satisfy the food preferences and schedules of a diverse student body. Using the system is easy – just access one of the available dining accounts with the WildCard ID or LCC ID card, or use cash. There are three accounts available for Dining Services locations:

1. **The Meal Plan** – this is the required account that all residence hall students must open. Students may choose from any of the plan options listed below.
2. **The Flex Account** – all students are eligible to put money into this account, which allows students the flexibility to spend money at any UK Dining Services campus residential or retail operation. This account works in a similar fashion to the Plus Account, but monies are used strictly for Dining Services locations.
3. **The Plus Account** – this account is optional and extremely versatile because it can be used for a variety of campus goods and services.

The Meal Plan

The University of Kentucky is committed to providing flexible dining options that serve the best interests of our students. No matter what your eating preferences and habits are, there is a dining plan for you. The dining plans are based on a block format. You estimate the number of meals you will eat during a semester and, based on that, choose the plan that best fits your dining needs.

UK students living in residence halls are required to purchase a minimum dining plan for the 2005-2006 academic year. The minimum dining plan provides 123 meals per semester and costs \$883. All other escalating dining plans (except the 123 Plan and the 336 Plan) include \$200 in Flex Dollars. Money can be added to the Flex Account in the Dining/Plus Accounts Office, 101 Student Center. The following dining plans are available to students living in residence halls unless otherwise indicated:

- **336 Plan** (average meals per week – 21)
- **280 Plan** (average meals per week – 17.5)
- **245 Plan** (average meals per week – 15.3)
- **205 Plan** (average meals per week – 12.8)
- **161 Plan** (average meals per week – 10.1)
- **143 Plan** (average meals per week – 8.9)
- **123 Plan** – minimum plan (average meals per week – 7.7)
- **Blue Plan** – 80 meals per semester (available to faculty/staff, commuting students and students living in Greek housing or Greg Page Apartments only)
- **White Plan** – 48 meals per semester (available to faculty/staff, commuting students and students living in Greek housing or Greg Page Apartments only)

Dining Program 'Unlimited Choices' System

UK dining plans work on an 'Unlimited Choices' concept in the residential dining operations. Diners at Blazer Cafe and Commons Market will have the option to eat as much self-serve fruit, vegetables, grains and desserts as they please. Proteins such as burgers, chicken and other entrees will be served individually by Dining Services personnel and customers will have the ability to return to the line and receive more if they choose.

Dining Program Combo Meals

Our retail dining units operate on a combo meal equivalency program. Combo meals consist of sandwich/entree, side item or salad, dessert, and fountain beverage. Students may use their WildCard ID or LCC ID to purchase combo meals at these locations:

- K-Lair Grill
- Student Center Food Court
- OVID's Cafe
- Intermezzo
- Ag. Science North Building
- Atrium Cafe (LCC)
- Bytes & Bits (LCC)
- The Lemon Twist
- Grab N' Go Areas at various units

The Plus Account

The Plus Account is an optional account. It requires no minimum deposit and may be opened or added to in any whole dollar amount at any time during the semester. Students may open or add to their Plus Account at Student Billings, Blazer Café, Commons Market, The Diner/Plus Accounts Office in 101 Student Center, and DARTs (printing lab machines). All Plus Account monies may be carried forward or are refundable less a \$5.00 fee. This declining balance account is extremely versatile.

STUDENT PARKING AND CAMPUS BUS SERVICE

Students can access information on topics related to parking, applying for a permit, motorist assistance, bicycle parking, bus schedules, and review our FAQ's on the Web at: www.uky.edu/Parking. Here, you can also subscribe to **E-News** to receive timely parking and transportation news and information sent directly to your e-mail address. For information not found on the Web site, call Parking Services at (859) 257-5757 or (800) 441-0555; or Transportation Services at (859) 257-7202.

Parking

When parking on campus, students should purchase and properly display a University of Kentucky parking permit. The temporary convenience of illegal parking is rarely worth the hassle and expense of paying fines and getting your vehicle impounded. All **R** and **C** student lots require a valid permit by the Monday before classes begin on Wednesday. Bus service is provided from the **K** lots to Central Campus. A permit control sign at the entrance to each parking lot displays the hours when the lot is being controlled for permits. Reserved spaces within these lots are controlled for valid permits and during the hours indicated on the signs. Reserved parking spots include spaces for hall directors and people with disabilities.

Renewing Permits

Students holding permits from the 2004-2005 academic year and who are qualified for the same category of permit may renew their permits May 1 through May 31. Other eligible students may apply for permits for the 2005-2006 academic year by July 31. Freshmen who live on campus, freshmen and sophomores who commute and any student who cannot obtain an **R** or **C** permit may obtain a **K** permit that is valid at Commonwealth Stadium.

Parking for Students with Disabilities

Parking privileges will be granted to qualified students upon completion, acceptance, and approval of an application. The Disability Resource Center, 2 Alumni Gym, (859) 257-2754, will assist disabled students with their applications. Office hours are 7:30 A.M. to 5 P.M., Monday through Friday.

Guest Parking

Family and friends visiting campus during the week can park at pay parking meters, or stop by Parking Services at 350 Euclid Avenue (on the corner of Rose and Euclid) to obtain a temporary parking pass. After hours and on weekends, a number of lots are not controlled for permits. A permit control sign at the entrance to each parking lot displays the hours when the lot is being controlled for permits.

Short-term Parking

Parking meters are available in certain campus locations to allow temporary parking for visitors, employees and students. For your convenience, parking meters are located near the UK Bookstore, Funkhouser Building, Seaton Center and Memorial Coliseum. UK parking meters have time limits of either 45 minutes or three hours displayed on the meter post and on the tag inside the meter. In addition, certain meters are reserved for specific uses. These meters are identified by signs attached to the meter posts or a sign posted at the entrance to the parking lot.

Avoiding Parking Citations and Keeping Your Car Safe

- be sure you read and understand the information provided with your permit;
- do not park in service areas (yellow and white stripes), loading zones (black and yellow stripes), or reserved spaces;
- do not share your permit with anyone else;
- report lost or stolen permits promptly to Parking Services;
- do not assume that because other cars are parked illegally that you may do so;
- do not park in violation (e.g., yellow lines and fire lanes) with hazard lights flashing;
- do not leave notes in your vehicle for parking control officers; and
- keep your vehicle locked at all times.

Campus Bus Service

Students do not pay a fare when riding the LexTran campus buses and the CATS shuttle buses. Support for these bus services comes from parking permit fees. LexTran and CATS buses are equipped with a wheelchair lift.

All commuter students and students living on campus may ride the LexTran campus buses to and from Central Campus, residence halls, and Commonwealth Stadium between 7 A.M. and 6:15 P.M., Monday through Friday, during the fall and spring semesters. Bus service begins on Wednesday at the start of classes in August and January and only operates on those weekdays when UK is in official session. The LexTran campus buses make about 120 trips each day to and from Commonwealth Stadium and Central Campus. LexTran buses run about five minutes apart during peak hours for classes, and about ten minutes apart during off-peak hours.

The University supplements the bus service by providing additional daytime and night shuttle buses to portions of campus not served by LexTran. The daytime CATS service operates two bus routes Monday through Friday. The night service operates on a fixed route Monday through Thursday between 4:30 P.M. and 11 P.M. In addition, the night service is expanded to operate on demand for students who need transportation around campus, such as between Commonwealth Stadium and the residence halls. Students may phone the driver directly at (859) 221-RIDE (7433) to make pick-up requests. The schedule for on-demand service is:

- Monday through Thursday – 11 P.M. - 5:30 A.M.
- Friday – 7 P.M. - 5:30 A.M.
- Saturday – 7:30 P.M. - 3 A.M.
- Sunday – 7 P.M. - midnight

The bus driver will make every effort to accommodate reasonable requests. In addition to the Web site, you will find route and schedule information displayed at the major bus stops or by visiting the Transportation Office in Parking Structure 2, located at the end of Hilltop Avenue near the William T. Young Library.

Lexington Bus Service

Students who live off campus may find that riding a LexTran city bus to and from campus is more convenient and less expensive than parking on campus. LexTran's routes and schedules are available on the Web at: www.lextran.com or by calling (859) 255-7756.
