

Special Academic Programs

THE ACADEMIC COMMON MARKET

The Academic Common Market allows out-of-state students to pay in-state tuition while studying selected academic programs that are not available in their home states. The list of programs included in the Academic Common Market is revised periodically to reflect the changing needs and offerings of participating states. The 16 states that participate in the Academic Common Market are Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia. For more information, contact the Academic Common Market Institutional Coordinator, 100 Funkhouser Building, University of Kentucky, Lexington, KY 40506-0054, (859) 257-3256.

ACCELERATED PROGRAMS

The University of Kentucky has a broad policy for accelerated programs. Among the opportunities available are special programs for high school students and a variety of credit-by-examination programs. Many students use these opportunities to earn degrees in less time. Others prefer to use the time gained to explore areas outside their majors or to do more work in their major fields.

Accelerated Programs for High School Students

High school students interested in earning college credit while still in high school should inquire about admission before graduating from high school. The High School Exceptional Ability program is described in greater detail in the *Undergraduate Admission* section of this Bulletin.

Students may also begin their college careers while still in high school by enrolling in independent study courses. The Independent Study Program is described in greater detail in the *University Extension* section of this Bulletin.

Credit-by-Examination Programs

UK students may earn degree credit by successfully completing examinations described below.

Proficiency Examination Program (PEP)

The Proficiency Examination Program (PEP) of The American College Testing Program prepares tests in arts and sciences, business, criminal justice, education, and nursing. PEP tests may be recognized as appropriate credit for meeting degree requirements. Working with the Office of Undergraduate Admission, colleges and departments determine appropriate cutoff scores, as applicable. The academic departments also determine the amount of the awarded credit that will apply to the curricular requirements in each academic major.

Lower division credit in nursing may be awarded to students who are already registered nurses and who earn scores of 45 or higher on the following PEP tests: Fundamentals of Nursing (403); Maternal and Child Nursing, Associate Degree (453); Adult Nursing (554); Psychiatric/Mental Health Nursing (503).

For more information on PEP tests, contact the Counseling & Testing Center at (859) 257-8701.

Advanced Placement Program (AP)

The University of Kentucky recognizes examinations of the College Board Advanced Placement Program offered by high schools throughout the nation. Currently, UK ranks among the top 100 schools in the U.S. for receipt of AP test score results. A high school senior who wishes to have

AP scores evaluated for academic credit or placement should have the results sent to the Office of Undergraduate Admission and University Registrar. UK's code is **1837**.

Students who receive Advanced Placement credit for a course may apply this credit the same way credit earned by passing a course is applied. UK does not recognize College Board SAT II Subject Tests for placement or credit purposes.

Academic departments have designated the current policy (see chart on pages 54-55) for students who score 3 or higher on the Advanced Placement examinations.

Please note that the University of Kentucky awards Advanced Placement credit based on the score of the exam that is in effect during the academic year that the student enrolls in UK. Students should refer to the AP chart in the *Bulletin* they received when they were admitted for the appropriate score.

UK does not award duplicate credit in the event that a student repeats an exam or if the credit award is the same for two or more exams. In the event a student takes the same exam more than once, credit is awarded for the best score only.

For more information on UK's Advanced Placement policy, contact:

College Level Examination Program (CLEP)

UK participates in the national testing program of The College Board. CLEP Examinations cover specific material common to courses at many universities.

Credit for University courses is awarded to students who obtain the listed scores on the appropriate Examinations, as listed in the "Policy Guide for CLEP Examinations" on page 51.

The Registrar's Office is responsible for all official posting of credit to a student's record. For information regarding the CLEP program and posting of credit, call the Registrar's Office at (859) 257-8729. For information on CLEP exams in general, visit the College Board Web site at: www.collegeboard.com/clep/.

International Baccalaureate Program (IB)

The University of Kentucky recognizes course credit earned through the International Baccalaureate (IB) Program offered by high schools throughout the world.

Generally, course credit is awarded for scores of 5, 6, or 7 on either the Standard Level exam or the Higher Level exam. Please refer to the chart on page 56 for the actual course credit policy in each subject.

Any student desiring credit must request an IB transcript to be sent to the University. Course credit awarded through the IB program will apply toward degree requirements just as if the course had been taken on campus, except that there will not be a specific letter grade associated with the course. Instead, a designation of CR – credit – will be awarded and the grade-point average will not be affected.

In some cases, as noted on the chart on page 56, additional curriculum information must be supplied by the student's high school before credit will be awarded.

For more information, contact the College of Arts & Sciences Advising Center at (859) 257-8712.

Special Departmental Examinations

Undergraduate students requesting a special examination must apply in writing to the chairperson of the department that offers the course. Graduate students should apply to the director of graduate studies in the department offering the course. Applicants should include evidence that they are reasonably prepared for the examination.

These examinations are prepared and administered by the offering department, and are usually equivalent to a final examination. Students must be enrolled in good standing at UK. The examinations are offered without charge.

Almost any course offered at the University is available for credit by special examination, regardless of whether a student has audited the course, is currently enrolled in it, or has studied it independently. Please note, most elementary and intermediate foreign language courses are not available on the basis of a special examination.

More information about special examination credit appears in the *Academic Requirements* section of this Bulletin.

English Examination: Students who have a standard score of 32 or above on the English section of the ACT Assessment or 700 or above on the SAT I Verbal score will receive exemption from ENG 104; students who have a standard score of 4-5 on the AP English Language exam will receive credit (grade of CR) for ENG 104. Students who earn a 3 on the AP English Language exam will earn credit for ENG 101 and may choose to take either ENG 102 or ENG 104 (recommended). There is no exemption by CLEP. Scores of 3-5 on the AP English Literature exam or the equivalent on the IB exam will continue to receive 3 units of credit for ENG 161, which does not satisfy either condition of the University Writing Requirement.

Program on Noncollegiate-Sponsored Instruction (PONSI)

Students, particularly those 25 years of age and older, may be eligible to receive credit for extra-institutional learning. The American Council on Education through its Program on Noncollegiate-Sponsored Instruction (PONSI) has evaluated over 2,000 courses sponsored by over 140 corporations, organizations, and agencies drawn from business, industry, and government. On the basis of PONSI evaluations, the University has established guidelines for awarding credit for college-level courses. The University recognizes these recommendations as appropriate credit for meeting degree requirements.

The University's colleges and departments determine the amount of credit that will apply to a student's curriculum.

Information on PONSI appears in *The National Guide to Educational Credit for Training Programs*. For more information, contact the Office of Undergraduate Admission.

THE HONORS PROGRAM

The University of Kentucky Honors Program offers outstanding students, especially those interested in developing independent and critical thinking, a special program and a special identity within the framework of the larger institution. The Honors Program is an important part of the University's commitment to academic excellence in undergraduate education.

The Honors curriculum includes four seminars in the history of ideas, tracing the development of Western civilization from antiquity to the present, providing a sound basis for a liberal arts education. In addition, there are four topical tracks in the following areas: World Food Issues; Social Sciences; Space, Place and Culture; and Technological, Cultural and Social Implications of Nanotechnology. Juniors and seniors in the Honors Program may enroll in the Honors Proseminars, which vary each semester and explore multidisciplinary topics. Upperclass students also complete an independent project of research or artistic expression.

The Honors Program, its curriculum and special features are described in detail in the *Honors Program* section of this Bulletin.

THE UNIVERSITY SCHOLARS PROGRAM

The University Scholars program offers students the opportunity and challenge of integrating their undergraduate and graduate or professional courses of study into a single, continuous program leading to both a baccalaureate and master's degree. The student's particular requirements will determine the amount of time needed to complete the program; however, the program can normally be completed in less time than that required in a conventional program.

Admission to the Program

Applicants for the University Scholars program must meet the following admissions requirements:

1. The applicant must have senior standing (completed at least 90 hours of course work) and have completed all University Studies requirements.
2. Students should apply at the end of their junior year.
3. The master's program should be in the field of the undergraduate major.
4. Applicants must have an undergraduate grade-point average of 3.5 or above in their major field and 3.2 or above overall.
5. Follow the current application procedures for the Graduate School, subject to the above conditions. Admission decisions will be made by the Graduate Dean or his/her appointee.

Degree Requirements and Curriculum

Students in the University Scholars program must meet these requirements:

1. The total number of credit hours completed for the combined program may be twelve (12) fewer than the total required for both the bachelor's and master's degrees. (**The requirements for the bachelor's degree are unchanged.**)
2. Students should take no more than 16 credit hours per semester, unless they have express permission from the appropriate director of graduate studies and the Dean of The Graduate School.
3. Students must complete at least 36 hours of graduate level courses in the combined program, 15 credit hours of which must be in the 600 level or above for a Plan B master's degree. Students pursuing Plan A must complete at least 30 hours of graduate level courses in the combined program of which 12 credit hours must be at the 600 level or above. (Consult The Graduate School *Bulletin* for detailed information concerning Plan A and Plan B for master's degrees.)
4. Students must have an undergraduate and a graduate advisor. A jointly planned program must be prepared for each student.
5. In order to participate in the University Scholars program, a department must submit to The Graduate School a plan and illustrative examples of typical programs.

DONOVAN SCHOLARS PROGRAM

The University of Kentucky has a long-standing interest in individuals of or nearing retirement age. In 1962, the Board of Trustees established the Council on Aging to serve as the focal point for programs for older persons. The council, now called the Donovan Scholars Program, is an integral part of the Sanders-Brown Center on Aging.

The Donovan Scholars Program sponsors a variety of educational programs for older adults. One of the most outstanding is the Herman L. Donovan Senior Citizens Fellowship program (described below).

Other programs include a biweekly lecture series on a variety of topics and classes in art, computers, international affairs, languages, music, exercise, dance, readers theatre, and writing. Anyone over age 60 can participate in these noncredit courses and activities.

**The Herman L. Donovan
Senior Citizens Fellowship Program**

The fellowship provides an opportunity for any person age 65 or over, regardless of income or place of residence, to enroll for regular courses without paying fees. The fellowship is available at the Lexington campus and at Lexington Community College. Donovan Scholars may take courses for credit or audit for no credit. All prerequisites and entrance requirements are waived for auditors. Donovan Scholars attend regular classes and participate in the many intellectual, social, and cultural programs which characterize the University.

**SYSTEMWIDE ASSESSMENT AND PLACEMENT
POLICIES FOR THE UNIVERSITY OF KENTUCKY**

In accordance with the Statewide Mandatory Assessment and Placement recommended Policy (13 KAR 2:020 Section 8. [1]), the University of Kentucky has adopted the following procedures in accordance with the Council on Postsecondary Education's policy on minimum admissions requirements.

Students with Less Than an 18 in English and/or Reading

First-time freshmen enrolled in a degree program who have less than an 18 in English or Reading portion on the ACT, will be placed in ENG 104, Writing: An Accelerated Foundational Course.

Additional support will be provided to these students via the University Writing Center.

Transfer students enrolled in a degree program who have not taken and successfully passed a college-level course in English will be placed in ENG 104, Writing: An Accelerated Foundational Course.

Additional support will be provided to these students via the University Writing Center.

Students with Less Than an 18 in Math

First-time freshmen enrolled in a degree program who have less than an 18 in the math portion on the ACT will be placed in MA 108R (Intermediate Algebra).

Transfer students enrolled in a degree program who have not taken and successfully passed a college-level course in math will be placed in MA 108R (Intermediate Algebra).

Students (freshmen and transfers) may choose to take our math placement exam if they desire to enroll in a higher-level math course than MA 108R.

Transfer students may provide ACT/SAT scores to demonstrate their eligibility to take higher level (above MA 108R) courses without the exam.

Additional Parameters

Additional student support will be provided (as appropriate) through existing campus resources: Center for Academic and Tutorial Service (CATS), Minority Learning Services Center, Central Advising Service and Transfer Center, and each academic college's advising support and referral system.

All students with less than an 18 in English, reading, and math will be identified in SIS for tracking purposes and feedback to CPE.

SAT equivalencies also will be subject to the above policies.

All UK students converting from non-degree status to degree status who have not yet taken and successfully passed a college-level course in math or English or can provide ACT/SAT scores above the minimum stated requirements, are subject to specified policies.

The goal for these policies will be to provide support and appropriate preparation in English, reading, and math to insure student academic success at the University of Kentucky.

Placement Information for Writing and Foreign Language Courses

Students entering UK must meet basic skills in the University Studies Program. The placement information outlined below plays an important role in determining specific options for meeting these requirements. Please carefully read the placement information below to determine which placement exam(s) or other exam(s) you may benefit from taking.

UNIVERSITY WRITING REQUIREMENT

All students must fulfill the University Writing Requirement. See "University Writing Requirement" on page 66 in the *Academic Requirements* section of this Bulletin for more information. **Note:** Honors Program students satisfy both portions of the Writing Requirement through the Honors curriculum.

You have scored 32 or above on ACT English or 700 or above on SAT I Verbal	——	Exempt from the first-year writing requirement Must enroll in 200+-level course after achieving sophomore status
You have scored 4 or 5 on AP English Language Exam	——	4 credits awarded for ENG 104 with a grade of "CR" Must enroll in 200+-level course after achieving sophomore status
You have scored 3 on the AP English Language Exam	——	3 credits awarded for ENG 101 with a grade of "CR" May enroll in ENG 102 or ENG 104 (recommended) Must enroll in 200+-level course after achieving sophomore status
You have scored 3, 4, or 5 on the AP English Literature Exam or scored 5, 6, or 7 on the SL or HL IB Exam	——	3 credits awarded for ENG 161 with a grade of "CR" Must enroll in ENG 104 Must enroll in 200+-level course after achieving sophomore status
You have taken the CLEP Composition exam	——	No credit awarded Must enroll into ENG 104 Must enroll in 200+-level course after achieving sophomore status
You have taken ENG 101 and 102 (or equivalent)	——	First-year writing requirement satisfied Must enroll in 200+-level course after achieving sophomore status
You have taken a 3-unit first-year writing course	——	May enroll in ENG 102 or ENG 104 (recommended) Must enroll in 200+-level course after achieving sophomore status
You are a transfer student who has completed ENG 101 and 102 (or equivalent), <i>and</i> have 3 or more hours of credit for a 200+-level English literature course	——	First-year writing requirement satisfied Contact Janet Carey Eldred, Writing Initiative, 211 Funkhouser Building, (859) 257-4831
You are a transfer student who has taken a 200-level writing-intensive course	——	Contact Janet Carey Eldred, Writing Initiative, 211 Funkhouser Building, (859) 257-4831

For More Information

First-Year Requirement Questions: (859) 257-7002.

Second-Tier Requirement Questions: (859) 257-4831.

FOREIGN LANGUAGE

You must complete two years of a foreign language in secondary school (as indicated on your official transcripts) or a two-semester sequence in college in the same language to satisfy the basic skills requirement in foreign language. Students who have had only high school French, German, or Spanish and plan to continue in the same language must take a Foreign Language Placement Exam.

Some colleges at UK **only** require the completion of two years of a foreign language in a secondary school, while others (e.g., Arts and Sciences and Communications and Information Studies) may have additional foreign language requirements beyond the two-semester sequence required by the University Studies Program. Please **ask your advisor** about your college and major requirements.

You have had one year or more of French, German, or Spanish in high school and plan to take additional courses in this language at UK	Language placement exam required	Enroll in appropriate course determined by placement exam
You have did not take any foreign language in high school	—————	Enroll in first-semester language course (no language placement exam required)
You are planning to enroll in a new language at UK	—————	Enroll in first-semester language course (no language placement exam required)

Placement Information for Mathematics, Chemistry and Biology Courses

These prerequisites are in effect and will be applied to all students entering in Fall 2005. Students should see their advisor before enrolling in any courses. **A mandatory math placement test is required for all students entering in Fall 2005.**

MATHEMATICS

You may satisfy the USP I Math requirement with one of the following: a score of 26 on the mathematics section of the ACT (or a 650 SAT math score); a bypass examination; MA 109 College Algebra; MA 110 Analytic Geometry and Trigonometry; MA 111 Introduction to Contemporary Mathematics; or any calculus course. The chart below will help determine the math course for which you are eligible.

If your ACT Math Score is:

Less than or equal to 18 (Math SAT: less than or equal to 500)	Math placement test required	Enrollment permitted in MA 108R (enrollment in MA 109 and MA 111 barred)
	and Appropriate score on math placement test	Enrollment permitted in MA 109 or MA 111
19 - 25 (Math SAT: 520-620)	Math placement test required	Enrollment permitted in MA 109 or MA 111 (enrollment in MA 123 and MA 113 barred)
	and Appropriate score on math placement test	Enrollment permitted in MA 123, MA 113, MA 110
26 or greater (Math SAT: 650 or greater)	Math placement test required	Enrollment permitted in MA 123
23 - 25 (Math SAT: 580-620)	Math placement test required	Enrollment permitted in MA 110
26 or greater (Math SAT: 650 or greater)	Math placement test required	Enrollment permitted in MA 113 and MA 193

CHEMISTRY 105

Proficiency in chemistry and biology are options in the disciplinary requirements of the University Studies Program. If you plan to major in science, nursing, engineering, or a health profession, chemistry and biology may be important parts of your first year at UK. A strong math background is essential for success in chemistry, and a strong chemistry background is essential for success in biology. The chart below can help you determine what level of science you're eligible to take.

If your ACT Math Score is:

Less than or equal to 20 (Math SAT: less than or equal to 540)	and Math placement test not passed and MA 109 not completed	Enrollment in CHE 105 barred
	or Appropriate score on math placement test achieved and enrollment permitted in MA 123	Enrollment permitted in CHE 105
	or MA 109 completed with passing grade	Enrollment permitted in CHE 105
21 or greater (Math SAT: 550 or greater)		Enrollment permitted in CHE 105

BIOLOGY 150, 152

If your ACT Math Score is:

Less than or equal to 25 (Math SAT: less than or equal to 620)	and CHE 105 not completed	Enrollment in BIO 150 and BIO 152 barred
	or Math placement exam placed in MA 113 and CHE 105 taken concurrently	Enrollment permitted in BIO 150 or BIO 152
	or CHE 105 completed with a passing grade	Enrollment permitted in BIO 150 or BIO 152
26 or greater (Math SAT: 650 or greater)	and CHE 105 taken concurrently	Enrollment permitted in BIO 150 or BIO 152

The Math Placement Test will be given on the UK campus during most advising conference periods and during the summer two-day advising sessions.
