

Student Services and Activities

DEAN OF STUDENTS OFFICE

The University of Kentucky Dean of Students Office provides both administrative and educational services that support the personal and academic success of students. The office provides extracurricular, non-academic educational programs and also collaborates with academic units to provide support for students in reaching their educational goals.

University Discipline

University of Kentucky students are citizens of two communities – the academic community and the city of Lexington. All students are subject to institutional disciplinary procedures when offenses are committed against the University or its community of scholars. *The Code of Student Conduct* adopted by the Board of Trustees, revised July 1, 2005, sets rules for student behavior that are consistent with the goals and purposes of this academic institution and establishes procedures which insure equality and fairness in dealing with all students. *The Code of Student Conduct: Rules, Procedures, Rights and Responsibilities Governing Non-Academic Relationships*, comprises Part I of **Student Rights and Responsibilities**. This publication also contains: Part II – “Selected Rules of the University Senate Governing Academic Relationships”; Part III – “Regulations Governing Time, Place, and Manner of Meetings, Demonstrations, and Other Assemblies”; Part IV – “Alcohol Policy”; and Part V – “Student Records.” A printed copy may be requested from the Dean of Students Office, 513 Patterson Office Tower, and it is available on the Web at: www.uky.edu/StudentAffairs/Code.

While the University is a place where the search for truth is carried on through free inquiry, it is not a sanctuary for those who seek freedom from moral, social and legal obligations. As residents of Lexington, students have the same rights and responsibilities as other citizens.

Fraternities and Sororities

The University of Kentucky hosts 26 national fraternities and 17 national sororities. The undergraduate members are primarily responsible for operating these groups, with the assistance of a house director, local alumni and University advisors. The advisors are concerned with all areas of fraternity and sorority operations – recruitment, pledging, scholarships, housing, finance, leadership, personal growth and University involvement.

Sororities affiliated with the National Panhellenic Council hold a formal recruitment period the week prior to school opening in the fall. This is followed by open membership selection throughout the year for candidates to fill available vacancies.

Fraternities affiliated with the North American Interfraternity Conference host a recruitment week at the beginning of both the fall and spring semesters. Open recruitment takes place throughout the remainder of the school year.

Sororities and fraternities affiliated with the National Pan-Hellenic Council will announce individually their membership intake process during the semester. Pledging is not a prerequisite for membership.

Sororities and fraternities at the University of Kentucky follow the dictates of *The Code of Student Conduct* which prohibits student organizations from discriminating against any person due to race, color, or religious affirmation or belief.

The governing bodies for Greek life are the Interfraternity Council, the Panhellenic Council and Pan-Hellenic Council comprised of representatives from each group on campus. The Inter-Greek Programming Assembly coordinates Greek service activities and chapter recognition.

The Office of Fraternity and Sorority Affairs, the Interfraternity Council, the Panhellenic Council and the Pan-Hellenic Council are located in 575 Patterson Office Tower. For more information, call (859) 257-3151;

or, access the fraternity and sorority Web site at: www.uky.edu/StudentAffairs/Greek.

University Health Service

The University has a comprehensive health care program for all University of Kentucky students. Located in the Kentucky Clinic on Rose Street across from the University Hospital, University Health Service provides outpatient medical and mental health services. The **Medical Service** provides consultation and treatment for illnesses and injuries, incorporating a broad range of primary care and preventive medicine disciplines. The **Mental Health Service** assists students with personal and emotional problems. Student health records are strictly confidential and may be released only as permitted by applicable state and federal law.

The regular semester clinic hours are 8 A.M. to 6 P.M., Monday through Friday; and 9 A.M. to 11 A.M. on Saturday (fall and spring semesters). Summer hours and hours when school is not in session are 8 A.M. to 4:30 P.M. After hours, urgent care is available at the University Hospital Emergency Room or local urgent treatment centers. However, the University of Kentucky and University Health Service assume no responsibility for the cost of after-hours care.

Payment of the mandatory registration fee by full-time students entitles them to use the services provided by the Health Service during the regular fall and spring semester for little or no cost. Part-time students may use the health service on a fee-for-service basis or may pay a semester health fee. The summer health fee is voluntary for all students and must be pre-paid by the first day of classes. Summer students may also choose to be seen on a fee-for-service basis.

University Health Service does **not** cover the expense of referrals, hospitalization, after-hours care, accident care, and surgical services. University of Kentucky Health Service, University Hospital and other UK HealthCare programs assume no responsibility or liability for medical expenses incurred by students beyond those covered by University Health Service. It is highly recommended that all students carry health insurance. (**NOTE:** All international students are required to have university-approved health insurance.) For more information about health insurance, contact University Health Service, University of Kentucky, B-163 Kentucky Clinic, Lexington, KY, 40536-0284, (859) 323-5823 ext. 230.

Disability Resource Center

The mission of the Disability Resource Center is to provide and coordinate services that will allow students with disabilities equal access to the University's educational, social, and cultural opportunities. Students with temporary disabilities, documented physical or learning disabilities, or who want to learn more about disability concerns may receive assistance and support from this office. Services are tailored to meet the needs of individual students based on their specific disabilities. Students with permanent disabilities include individuals with physical conditions, medical disorders, learning disabilities, attention deficit/hyperactivity disorder, and other psychological disorders. Students with temporary disabilities include those who are recovering from surgery or who are being treated for temporary medical conditions (sprained ankle, broken leg, etc.). All students must provide current documentation of their disability and the need for accommodations before services can be provided.

Students with cognitive disabilities frequently request classroom and exam accommodations. Eligibility for these accommodations is based on current documentation of the disability that validates the need for the requested services. A current psychological assessment using comprehensive adult cognitive measures (i.e., WAIS-III, WJ-Cognitive) and comprehensive achievement measures (i.e., WJ-Achievement, WIAT) is required for all students with learning disabilities. The psychological report must provide educational history, functional limitations, fully disclosed standard scores and percentiles for all normed measures, and need for accommodations. Students with ADHD or other psychological disorders must provide current medical or psychological documentation of their diagnosis that confirms their educational history, functional limitations, and need for accommodations.

PROFESSIONAL SERVICES

University Counseling & Testing Center

The University Counseling & Testing Center has a staff of trained psychologists and counselors whose primary function is to help UK students with personal concerns, career decision-making and academic success skills. Individual counseling is available to assist students with concerns such as adjustment to college life, relationship difficulties, career exploration/decision-making, feelings of depression or anxiety, low self esteem, life transitions, alcohol/substance use, problems in the family, and/or ineffective study skills. In addition, counseling groups led by trained therapists are organized each semester and address personal growth issues, interpersonal skills and a variety of other topics. All interviews are confidential. Individual testing and inventories of personality, career interests, and learning styles may be used to aid in self-understanding and to improve academic efficiency. Testing is available only upon referral by a Center staff counselor.

The Counseling & Testing Center maintains an active outreach program, offering workshops and lectures to students, faculty and staff on a variety of college life and mental health topics. The professional staff is also available to faculty, staff and departments for consultations regarding students, personnel or programs. There is no charge for consultations or outreach presentations.

During the academic year, fee paying University of Kentucky students enrolled for at least six (6) credit hours are eligible to receive services from the Counseling & Testing Center free of charge. To be eligible for our services in the summer, you must meet two criteria: be enrolled at UK during the previous spring semester **and** registered for the upcoming fall semester. Additionally, students enrolled for either summer session will be eligible for Center services. Students enrolled in graduate and professional programs at the University of Kentucky are also eligible. For information about making an appointment, call (859) 257-8701 between 8 A.M. and 5 P.M., Monday through Friday. Referral from another campus agency is not necessary. The Counseling & Testing Center is located in 201 Frazee Hall next to the Student Center.

Experiential Education and Career Services

Experiential Education and Career Services, located in the James W. Stuckert Career Center, is a comprehensive and centralized career center for all students enrolled at the University of Kentucky. The Center's programs are designed to help students, faculty and employers integrate occupational and employment information into educational experiences, extracurricular activities and work. Counselors at the Center work with students from their first-year experience through degree completion and beyond, helping them define goals, explore career possibilities, and obtain employment related to their education.

Through individual appointments and group workshops, career counselors assist students with assessment of individual interests, life/work values, skills and decision-making styles; career exploration;

identifying part- and full-time job vacancies, internships and shadowing experiences; resume writing; interviewing preparation and practice; job search strategies; networking with potential employers; researching salary information; and preparing for a successful transition from campus to the community and beyond.

Career counselors encourage students to explore careers first-hand by taking part in the Shadowing and Mentoring Program. Shadowing gives students the opportunity to follow working professionals for all, or part, of a day to learn more about careers of interest. Obtaining a mentor provides students with the opportunities for developing on-going contacts with professionals in their fields of interest.

For a more in-depth experience, students may apply for internships, gaining experience and sometimes academic credit by working in businesses, agencies, or other settings pertinent to their academic majors or career goals. Positions are usually semester-based, beginning at the start of a semester and finishing at semester's end; therefore, they should be arranged prior to the semester in which the student wants to begin. Internships are available year-round, during fall, spring and summer semesters. Full-time or part-time internships may be arranged in Lexington and central Kentucky, as well as other locations. Internships may be planned for academic credit, in compliance with individual employers' specifications and faculty sponsorship. More than 35 percent of internships are paid positions.

The James W. Stuckert Career Center is also home to the Katherine Kemper Career Library, a 1,400 square-foot reference area which houses information in electronic and print formats to assist students in their career decisions and job searches. This library offers twelve computer work stations with Internet access as well as TV/VCR carrels for viewing company and occupational information videotapes. For students and alumni seeking 24/7 career services from a distance, the Center offers password access to the Vault Online Career Library accessible from the Center's Web site at: www.uky.edu/CareerCenter.

For students ready to begin seeking full-time, career-related employment, the James W.
