

**FEES ARE SUBJECT TO CHANGE WITHOUT NOTICE AND INCREASES MAY BE NECESSARY IN SUBSEQUENT YEARS.**

## FEE PAYMENT POLICY

You become financially obligated to the University of Kentucky when you register for classes. This financial obligation can only be adjusted if you add/drop hours or officially withdraw from the University. It is your responsibility to comply with the policy and schedule for paying registration fees.

A student with unpaid tuition/fees who subsequently leaves or officially withdraws from school will be held liable for a percentage of those fees and will be declared delinquent subject to the penalties imposed by the institution for financial delinquency.

Students who late register will be assessed a \$40 late registration fee.

### Monthly Account Statements

Account statements will be created at the end of each month itemizing that month's new charges and credits. The University must receive the **total** amount due (less estimated aid) on or before the **due date** indicated on the account statement. If full payment is not received by the due date, a late payment fee of 1.25 percent of the amount due will be assessed.

### Late Registration Fee

All continuing students are expected to priority register each semester for the next semester. New students are assigned a specific date for registration. Any student who registers after the regular registration period will be charged a late registration fee of \$40.

### Auditors

All auditors are charged the same fees they would pay for credit.

### Internship Courses

Students taking internship courses (e.g., courses numbered 399) **must** register for the course during the term the internship is taken and pay all required semester fees. In no case shall students be allowed to defer registration and payment for summer internships to the following fall semester.

### Zero-Credit Courses

Some University courses are offered for 0 credit hours. The fees for these courses are based on the number of hours per week the course meets, so that the cost of a 0-credit course which meets one hour per week is the same as the cost of a 1-credit course for a student in a particular classification (i.e., resident, nonresident, graduate, undergraduate). Zero-credit courses are counted as part of the student load for fee payment purposes and for purposes of issuing ID cards.

There is no fee for a course numbered 749, or 769, if the student is approved to take the 769 course for 0 credit hours. In a few departments zero-credit courses are actually laboratories which are a required part of another course. They are numbered separately for scheduling purposes, but no additional fee is charged.

### Financial Delinquency

The University of Kentucky expects students to be responsible in their financial obligations to the University or any department or division thereof. The University assesses student fees for various services, fines, and materials. Students are to be properly notified of amounts to be paid and designated payment due dates. After unsuccessful collection efforts by the department or division, the student is classified delinquent and the following may occur: financial holds, class cancellations, late fees, collection agency efforts, and denial of access to student services.

## FINANCIAL OMBUD SERVICES

The Financial Ombud provides a neutral and confidential setting for current and prospective students and their parents to discuss difficult or unusual financial problems affecting tuition and fee payment. The Financial Ombud resolves problems, counsels, and makes recommendations and referrals as needed.

The Office of the Financial Ombud Services is open from 8 A.M. to 4:30 P.M. and is located in 18 Funkhouser Building. For information, questions, or appointments, call (859) 257-3406.

## HEALTHCARE

For the regular fall and spring semesters, payment of the mandatory registration fee by full-time students entitles them to medical and mental health care at University Health Service. Part-time students may pay the health fee or use the Health Service on a fee-for-service basis. The health fee is voluntary for all students for the summer sessions. Students are strongly advised to purchase health insurance to cover medical expenses incurred beyond those provided by the health fee. For more information on the health fee or the services provided, call (859) 323-5823; or visit us on the Web at: [www.uky.edu/StudentAffairs/UHS/](http://www.uky.edu/StudentAffairs/UHS/).

## WITHDRAWAL FROM THE UNIVERSITY

You may cancel your registration before the first day of class by using myUK. See below for dropping a class with a **W** grade.

**All students, including degree seeking, non-degree seeking, and visiting students, who wish to leave the university during a term (fall, spring or summer) must formally withdraw.**

There are **four methods** of withdrawing from the University of Kentucky:

1. withdrawing in person at the Registrar's Office in 10 Funkhouser Building;
2. requesting withdrawal from course work via fax;
3. mailing your withdrawal request to the Registrar's Office; and
4. drop or withdraw from all courses using myUK.

**In person:** A student is required to come to 10 Funkhouser Building between 8 A.M. and 4:30 P.M., Monday through Friday and complete an *Authorization to Withdraw* card. Additional signatures may be required depending upon the student's enrollment status. The date noted on the *Authorization to Withdraw* card will serve as the student's official withdrawal date.

**Fax request:** There are circumstances in which a student cannot physically appear to withdraw. For these cases, the Registrar's Office will accept a faxed request for withdrawal. The date of the fax will serve as the official date of the withdrawal. The fax number is (859) 257-7160.

The information needed for the fax request is:

- **full name**
- **student number**
- **list of courses**
- **term**
- **date**
- **signature**
- **phone number**

**Mail request:** The student may mail a written request for withdrawal to the Registrar's Office. The address is:

**Student Records  
10 Funkhouser Building  
University of Kentucky  
Lexington, KY 40506-0054**

The postmark will serve as the official date of the withdrawal. Information for withdrawal via mail is identical to that of the fax request.

**NOTE:** After the last official day to withdraw from a term, the student must start the withdrawal process beginning with the dean of the student's college. (Senate Rule, V.1.8.3). A student should contact his/her college's student services office for more details concerning this process.

### REFUND and FEE LIABILITY POLICY

Tuition refunds or outstanding fee liabilities for students who officially withdraw through the Registrar's Office, or who change their status from full-time to part-time or further reduce their part-time status through Add/Drop, will be made according to the following schedule. All dates are those designated in the official University Calendar.

As required under section 484B of the Higher Education Act (HEA), to assure recovery of federal financial aid funds, a special refund schedule applies to those students receiving Title IV financial assistance who withdraw (officially or unofficially) during the academic term.

A student not paying tuition fees and subsequently leaving or officially withdrawing from school will be held liable for one-half of those fees. In the case of nonpayment, he or she will be declared delinquent subject to the penalties imposed by the institution for financial delinquency.
