
FP Family Practice and Community Medicine

FP 815 FIRST-YEAR ELECTIVE, FAMILY PRACTICE. (1-3)

With the advice and approval of his or her faculty adviser, the first-year student may choose approved electives offered by the Department of Family Practice. The intent is to provide the student an opportunity for exploration and study in an area which supplements and/or complements required course work in the first-year curriculum. Pass-fail only. Prereq: Admission to first year, College of Medicine.

FP 825 SECOND-YEAR ELECTIVE, FAMILY PRACTICE. (1-4)

With the advice and approval of his or her faculty adviser, the second-year student may choose approved electives offered by the Department of Family Practice. The intent is to provide the student an opportunity for exploration and study in an area which supplements and/or complements required course work in the second-year curriculum. Pass-fail only. Prereq: Admission to second-year medical curriculum and approval of adviser.

FP 850-899 FOURTH-YEAR ELECTIVE FOR MEDICAL STUDENTS. (1-6)

With the advice and approval of the faculty adviser and the Student Progress and Promotions Committee, the fourth-year student may choose approved electives offered by the various departments in the College of Medicine. The intent is to provide the student an opportunity to develop his fund of knowledge and clinical competence. Prereq: Admission to the fourth year, College of Medicine and/or permission of the Student Progress and Promotions Committee.

FP 854 ACTING INTERNSHIP IN RURAL FAMILY MEDICINE. (4)

The acting internship in rural family medicine will be a fourth year selective in medicine. The students will be expected to assume intern level care for their assigned patients on the inpatient service of the host practice in either Corbin, KY, Morehead, KY, or Hazard, KY. The course will be modeled after the existing acting internship at the Medical Center with the modifications that will address the needs of the rural practice and the patient populations. Prereq: MD 834.
