III. Inference-Logic

With the approval of your advisor, the inference-logic requirement may be fulfilled by completing **one** of the following:

- Any calculus course (MA 113, MA 114, MA 123, MA 132, MA 213, MA 214), or
- STA 200 Statistics: A Force in Human Judgment
PLUS either
PHI 120 Introductory Logic **or**
PHI 320 Symbolic Logic I

Note: Students must satisfy the math requirement before enrolling in STA 200.

MA 113	CALCULUS I	4.0	USP
<i>Prereq:</i> Math ACT of 27 or above, or math SAT of 620 or above, or MA 109 and MA 112, or MA 110, or consent of the department. Students who enroll in MA 113 based on their test scores should have completed a year of pre-calculus study in high school that includes the study of trigonometric functions.			
NOTE: Math placement test recommended.

IV. Written Communication

To fulfill the University Studies Program written communication requirement, complete the **First Year Writing Requirement** (4 credit hours). Honors Program students satisfy the First Year Writing Requirement through that curriculum.

First Year Writing Requirement

Complete **one** of the following:

- **ENG 104 Writing: An Accelerated Foundational Course***
- Score of **32** or above on the English component of the ACT; score of **700** or above on SAT I Verbal; or score of **4** or **5** on the AP English Language Exam.

*Full-time students must enroll in ENG 104 in either the fall or spring semester of their first year. They may drop the course during the first year, but beginning in their third semester, students enrolled in ENG 104 are not allowed to drop the course, and will be required to register for the course each semester until they have completed the First Year Writing Requirement.

NOTE: Students who have earned credit for ENG 101 or equivalent, and students with a score of 3 on the AP English Language Exam may select either ENG 102 or ENG 104 (recommended) to complete the First Year Writing Requirement. UK no longer offers ENG 101 but will continue to offer ENG 102 as needed.
