Promotion to Associate Professor	C
Promotion to Full Professor	C <sup>2</sup>
Tenure	C

### Legend

F - Final Authority [to approve or disapprove]

C - Conditional Authority [final authority to disapprove; may recommend approval to Provost]

### Notes

<sup>1</sup> If a dean disapproves an educational unit administrator's recommendation for reappointment at the rank of instructor, assistant professor or associate professor and offers a terminal reappointment instead, but the tenured members of the educational unit reaffirm their written judgments by majority vote and the chair reaffirms his or her positive recommendation for reappointment, the Provost shall refer the matter to the pertinent Academic Area Advisory Committee.

<sup>2</sup> In a promotion case involving an assistant or associate professor with tenure who has not been considered by an Academic Area Advisory Committee for a period of six years, the dean shall forward the dossier, including the written recommendation of the college advisory committee, and the dean's recommendation to the Provost.
